Anjuman-I-Islam's Barrister A.R. Antulay College of Law hosted a session on 10th December 2024 with Mr. Ken Paxton, Attorney General of Texas (USA), and Mr. John Scott, Former Attorney General of Texas (USA), discussing the U. S. legal system, constitutional and international law.

Anjuman-I-Islam participated in the World Divyang Day event on 3rd December 2024, organized by AISEEC Foundation, which also hosted the 'White Stick & Safety Jacket Distribution Program'.

Anjuman-I-Islam Allana English School won prestigious Harris Shield on December 18, 2024. The event was graced by cricketing legends Mr. Dilip Vengsarkar, Ms. Madhumati Lele, Mr. Ajinkya Naik (President, MCA), and Mr. Nadim Memon.

Anjuman-I-Islam's Begum Sharifa Kalsekar Girls' High School inaugurated the "Cyber Sphere" Lab on 12th December 2024. The lab, equipped with 20 computers, sponsored by the Girls' Education and Empowerment Trust (GEET).

On 26th November, 2024, Anjuman-I-Islam participated in the 8th Urdu Decade, organized by Urdu Caravan Mumbai & Aurangabad, to celebrate and advance Urdu language and literature.

On 28th December, 2024, Dr. Zahir Kazi, President of Anjuman-I-Islam, received the 'Pride of India 2024 award' from the American Federation of Muslims of Indian Origin (AFMI) at Ahmedabad, for his educational contributions to the socio-economic upliftment of Indian Muslim minorities.

Republic Day was celebrated by Anjuman-I-Islam on 26th January, 2025, with official ceremonies across all its institutions.

M.H. Saboo Siddik campus successfully organized the Maharashtra Mega Job Fair, 'Pandit Deendayal Upadhyay Rojgar Mela,' on 27th January 2025, in collaboration with the Skill Development, Employment & Entrepreneurship Guidance Centre, Government of Maharashtra.

On 5th February 2025, Anjuman-I-Islam's M.H. Saboo Siddik I.T.I. organized a Certificate Distribution Ceremony for its deaf and mute (hearing-impaired) students enrolled in job-oriented courses. The event was graced by Mr. Javed Khan from Los Angeles, USA (NASA) as the Guest of Honour.

Anjuman-I-Islam Institutional Dignitaries held a strategic meeting with Mr. Erik af Hällström, Consul General of Finland on 6th February, 2025, focusing on collaborations to advance the institution's educational leadership.

On 7th February, 2025, Anjuman-I-Islam's Begum Sharifa Kalsekar Girls' English School cricket team achieved 1st Position victory at The Right Pitch Girls' Inter School Cricket @ TRP Premier League.

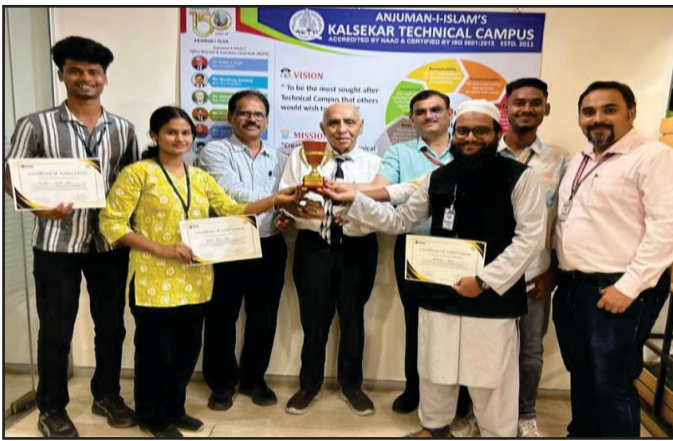

On February 17, 2025, Anjuman-I-Islam's Begum Jamila Haji Abdul Haq College of Home Science students, Ms. Madiha Kohati and Ms. Hamdani Hajra, achieved top academic honors at the 74th SNDT Women's University Convocation.

Anjuman-I-Islam, in collaboration with Dr. M. Ariz Ahammed, IAS, hosted an Educational Counseling & Career Development session on 21st February 2025, graced by distinguished bureaucrats.

On 25th February, 2025, Anjuman-I-Islam's Dr. M.I.J. Tibbia Unani Medical College & Hospital celebrated National Unani Day and Hakim Ajmal Khan's 156th birth anniversary, was privileged to host Prof. V. D. Raman Ghungralekar, Director, AYUSH.

On 22nd March, 2025, Anjuman-I-Islam's Kalsekar Technical Campus, School of Engineering and Technology (Civil Department), secured first place in the Bridgeit Competition and Poster Presentation at AKAAR 2025 at IIT Bombay.

The annual Iftar gathering at the A. D. Bawla Female Orphanage was held on 28th March, 2025, graced by Dr. Zahir I. Kazi, Padma Awardee (2024), President - Anjuman-I-Islam along with Dr. Shaista Kazi.

On 12th April, 2025, Anjuman-I-Islam successfully held its Alumni Meet in Ontario, Canada, an event graced by over 50 alumni.

On 24th April, 2025, the Anjuman-I-Islam delegation visited Stanford University, California, USA, to explore impactful collaborations aimed at elevating the institution's educational excellence.

Anjuman-I-Islam hosted its Alumni Meet in San Francisco, USA, on 26th April, 2025, fostering meaningful interactions and professional exchanges of ideas.

From April 21–24, 2025, Anjuman-I-Islam held meaningful engagements at the Indian Muslim Relief & Charities (IMRC) office, San Francisco, USA. The meetings with the Chairman, Board Members were graciously facilitated by Mr. Latif Nathani.

On 24th April, 2025, Anjuman-I-Islam's delegation visited Zaytuna College in Berkeley, California, USA, meeting with Dr. Munir Jiwa, Dr. Feraidoon Mojadedi, Dr. Ali Ataie, and Mr. Shaikh Hamza Yusuf to foster global academic partnerships on educational excellence.

On 25th April, 2025, an Anjuman-I-Islam delegation visited the Bay Area, USA, to attend the India Community Center Multi Culture EID Milan Programme, where they presented Anjuman's 150-year legacy to over 400 attendees and engaged with philanthropist and India Community Center Co-founder Ms. Talat Hasan and CEO Mr. Manoj Goel.

Nagma Ilyas student of Anjuman-I-Islam's Mustafa Fakhir Urdu High School & Jr. College, won the National Level Gold Medal in the Tata Building India Essay Competition 2023–24 (Urdu category) and was felicitated by the Hon'ble President of India, Smt. Droupadi Murmu.

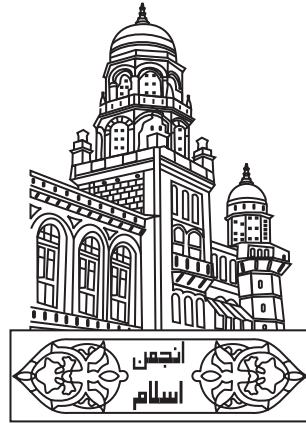

The Anjuman-I-Islam Alumni Meet – Qatar, held on 31st May 2025, united the global Anjuman family in a spirit of togetherness, led by Padma Shri Dr. Zahir Kazi and supported by Halqa-e-Ahbab-e-Konkan, Qatar.

Notice to the Members

Notice is hereby given that 77th Annual General Meeting of the members of Anjuman-I-Islam will be held at its Registered Office on Saturday, 8th November 2025 at 5.30 PM at Anjuman-I-Islam Multipurpose Hall, at its Registered office at 92, Dr. Dadabhai Naoroji Road, Mumbai - 400 001 to transact the following business:

ORDINARY BUSINESS:

1. Adoption of audited Financial Statements

To receive, consider and adopt the audited Financial Statement of the Company for the financial year ended March 31, 2025, together with Reports of the Board of Directors and Auditors thereon, if thought fit, to pass with or without modification(s), the following Resolution as an **Ordinary Resolution**:

“**RESOLVED THAT** the audited financial statement of the Company for the financial year ended March 31, 2025, and the reports of the Board of Directors and Auditors thereon, as circulated to the members, be and are hereby considered and adopted.”

2. The appointment of member of the General Council in place of those retiring

The following members, who are due to retire by rotation under Article 33 of the Memorandum and Articles of Association of the Company and are eligible for re-election.

Mr. Antulay Mushtaq	Begum Rehana Ahmed
Adv. Betgeri Shaukat Ali	Mr. Farooqui Rizwan
Mr. Kalsekar Ashrafali	Dr. Kazi Yasin Rashid
Dr. Khan Vikhar Ahmed	Mr. Rangoonwala Akhtar Zain
Dr. Shaikh Abdullah G. M.	Dr. Sumar Abdul Rauf

3. To appoint Auditors for the year 2025-26 and fix their remuneration

To appoint Auditors and fix their remuneration and in that connection to consider and if thought fit, to pass with or without modification(s), the following Resolution as an **Ordinary Resolution**:

“**RESOLVED THAT** pursuant to the provisions of Section 139, 142 and other applicable provisions, if any, of the Companies Act, 2013 (including any statutory modification(s) or re-enactment thereof for the time being in force), Merchant & Babaria Chartered Accountants LLP (Firm Registration No. 117755W/W-100020), the retiring auditors of the Company, be and are hereby re-appointed as Auditors of the Company to hold office from the conclusion of this 77th Annual General Meeting until the conclusion of the 78th Annual General Meeting to be held for the Financial Year 2025-26 at such remuneration including applicable taxes and out-of-pocket expenses, etc., as may be mutually agreed between the Board of Directors of the Company and the Auditors.”

By Order of the General Council

Aqeel Hafiz

General Secretary

Regd. Office: 92, Dr. Dadabhai Naoroji Road, Mumbai-400 001

Dated: 23rd September, 2025

NOTES:

1. The Company has obtained the approval from Registrar of Companies granting extension for holding the aforesaid Annual General Meeting on or before 31st December, 2025.
2. As per Article 28 of Articles of Association, every member shall have one vote and no more and votes shall be given personally. No annual subscribing member of the Anjuman who has been such a member of the Anjuman for a period of less than six months or who is in arrears of payment of any fees payable by him to the Anjuman, shall not be entitled to vote at any General Meeting.
3. Members desirous of asking any question or putting any suggestion at the Annual General Meeting in respect of agenda should send the same in writing to the office on or before **1st November, 2025**. Queries, without proper intimation within the specified time might not be entertained.
4. This meeting will commence at **5.30 P.M.** regardless of contest for election or otherwise.
5. In case election takes place, members attending the meeting can cast their votes as voting needs to be personally done by members during the scheduled time only, as the process is election by Secret Ballot.
6. Members should carry the Notice of the Meeting with the cover showing their Membership Number and, on demand, produce any government issued photo identification document. In case of any dispute / challenge, the decision of Returning Officer shall be final.
7. Counting of Votes shall commence at **5.30 P.M.** Candidates wishing to be present at the counting of votes only can do so with prior permission from Returning Officer.
8. The schedule for filing Nomination Form and Election is annexed.

Schedule for filing Nomination Form and Election

1. Issue of Nomination forms from the receiving of Notice till 1-11-2025, which is a working day between 10.30 am and 5.00 pm.
2. Nomination to be filed personally / through proposer latest by 3-11-2025, which is a working day between 3.00 pm and 5.00 pm.
3. Scrutiny of nominations and list of eligible candidates shall be displayed on the Company's Notice Board on 3-11-2025.
4. Last date for withdrawal of nominations shall be till 5.00 pm on 4-11-2025, which is a working day.
5. Final list of candidates shall be displayed on the Notice Board of the Company on 4-11-2025, which is a working day.

Election to be held between 3.00 pm and 5.30 pm on 8-11-2025 which is a working day at Allana Multipurpose Complex, Anjuman I Islam CSMT Complex.

President's Address

The management team, esteemed General Body members, Ladies and Gentlemen,
Assalamwalaikum,

It is my pleasure to welcome you all. It is an honor and privilege be here and address you today at this 77th Annual General Meeting of Anjuman-I-Islam. I wish to take this opportunity to place on record my thanks to all the members present here and to the members who could not be present here for variety of reasons, for the continued support we received during the year under review. Your support to me and the management team has been of enormous value as we continue our journey of serving the community as much as possible and enhance the image of Anjuman-I-Islam and all its institutions in the eyes of all our stakeholders.

The very essence of Anjuman, as envisioned and evolved over a period of the past 150 years, has been to serve the community by empowering it, primarily through education and through other support systems so that its' journey for a better and a dignified life of self-reliance is made easier. We owe it to ourselves and to the vision of our founders and donors to persist in our journey that helps create a resilient society and shape a better India. This is what defines Anjuman, a legacy of purpose, compassion, societal upliftment and nation-building. It is our collective responsibility to uphold and carry forward this rich inheritance with unwavering dedication.

In light of this, I would now like to touch upon some of the key areas related to our progress over the past one year, the current scenario and our strategic plans for future now.

The environment

During the year 2024-25, we experienced a set of mixed issues that have both a positive and a challenging bearing on our performance and plans.

The changing landscape of residential complexes has continued to put pressure on some of our primary and secondary educational institutes as population migration of our target student groups from South Mumbai and Versova to northern part of Mumbai suburbs and extended suburbs like Navi Mumbai, Taloja, Mumbra, Mira Road, Nalasopara etc. This has put pressure on enrolments in some of our schools in South Mumbai and Vashi whereas it has provided a larger target population in areas like Taloja. The challenge of increased number of institutes in the areas where we have our schools has been, to an extent, got moderated due to better educational standards in our schools. We have seen students enrolling back in our schools from the newly opened schools over the past one year.

Other environmental changes include globally changing technological landscape needing its own distinct skill set and educational background and the increasing aspirational outlook of our community looking for increased exposure to English language, early adoption of technology and extra-curricular content that helps the students face the emerging challenges both in the job market and in the society. I will discuss this as to how we have worked in these areas so that our students are equipped to capitalize on emerging opportunities.

Our Performance during the year

Academic Results:

As can be seen from the performance report, our results about passing have continued to improve across schools. For SSC results from our 19 schools, the overall passing percentage improved by 4% with 8 schools achieving 100% result while another 8 achieved result of over 95%. Students passing in distinction improved by 15% and the students clearing with pass class dropped by 13%. For HSC results, overall passing percentage has marginally improved from 90% to 92% however students passing with distinction have improved by 140%.

I feel overwhelmed to share the outstanding performance of our Tibbia College and the College of Home Science. Our students from Tibbia College continued to bag top 5 positions at Maharashtra University of Health Sciences for the 4th successive year. I am also happy to share that at All India Aayush post graduate entrance test (AIAPGET Unani), Bibi Safiya, our student, stood first in the state and got 6th All India Rank. This year again, a student from our College of Home Science bagged the gold medal, making it the seventh consecutive year of excellence through topping at SNDT Women's University in Food Science & Nutrition. Their consistent success and recognition in the University Convocation Press Release Report is a testament to their achievements. Our Law College repeated the performance of 100% passing results for the fifth consecutive year.

Alignment of Academic courses:

To meet the students' demands for seats and to cater to industry requirements, for the year 25-26, we added 60 seats in Computer Science (artificial intelligence and cyber security) at both our Saboo Siddik and Kalsekar campuses. We also added 60 seats in Computer Engineering and started Post Graduation Course in Construction Engineering and Management with 18 seats at our Saboo Siddik campus and started Post Graduation in Computer Engineering with 18 seats at our Kalsekar polytechnic. We had added 60 engineering diploma seats in AI/ML at our Kalsekar campus during the year 2024-25.

Student Enrolments:

To support our institutes to increase enrolments, we organized four career fairs at our campuses and three additional career fairs at campuses of other institutes at Bhiwandi, Mira Road and Mumbra, from where we could attract students in our target geography. This helped students and parents to crystallize their career choices and identify target institutes based on the same. Our institutes also focused on various marketing campaigns including visits to schools within their vicinity, bill boards, newspaper advertisements, social media marketing, information fliers etc. to provide additional impetus for securing enrolments at their institutes.

Consequently, enrolments to our campuses have improved. Our enrolments for our Kalsekar campus were at 97% for all degree and diploma courses against our intake capacity of 1,484 students. Similarly, our Saboo Siddik campus enrolled more than 96% for all degree and diploma courses against our intake capacity of 1080 students. These admissions include 5% allowable limit over and above the capacity for economically backward students. Admission process for Tibbia College is currently on and we expect to enroll students with a full capacity of 60. Some of our schools, including at Turbhe, Belasis Road, Bandra, Kurla etc. have enrolments to capacity whereas we are facing challenges in some schools at Versova and south Mumbai. Morland Road campus etc. due to challenges of population migration and parents increasing preference of English medium where admissions are becoming easier.

Placements:

We have taken different actions to improve performance on placements, which has got impacted due to challenges in job market and the recent job cuts in IT industry. We have identified a new TPO at Kalsekar campus and changed TPO at Saboo Siddik campus. Our TPOs have significantly increased their industry connect to build a rapport and increase placements. We have started extra paid programs at Saboo Siddik campus on aptitude and technical competence through a reputed training firm which conducts such programs at most of the major institutes. With autonomous status and flexibility with syllabus at our Kalsekar campus, we have added content and points for our courses on Aptitude and soft skills. More than 100 students have registered and more than 40 students have cleared Oracle professional certifications. During my visit to Canada, I met Mr. Zameer Mulla, CMD of Salesforce partner firm. During the meeting, he promised me to hire 50 students from our engineering institutes every year if they

complete Salesforce certification. As a follow up, more than 130 students from our institutes have already shown inclination for registering for Salesforce certification program. 10 students have registered for Amazon certification. We are also working on certification tie ups with Cisco, Red hat and Palo Alto. We are hopeful of significantly better placement numbers as we move forward.

Campus placement position for the 24-25 batch has been 100% for ITI, 100% for diploma students who were seeking placement, 80% for management students, 75% for hotel management. However, placements for Kalsekar and Saboo Siddik campuses are at about 35% level, which are not as per our expectations. We expect them to be better next year based on actions I just highlighted. Some students also got placed with their own efforts as well.

Research, Innovation and Incubation:

Our heads of institutes and faculty members have worked publishing important research papers even as they continued to motivate and guide our students for the same. Collaboratively they have filed for 41 patents. The innovative business ideas generated at the institutes have resulted in 67 business ideas on products and services leading to start-ups. I am happy to share that 23 of them have already been registered by the students.

These innovations and startups coming from creativity, dedication and hard work is a result of curated inputs and support provided by our institutes, high spirit of innovation and entrepreneurship of our students and the opportunities that are available in real life.

Collaboration:

Introduction of TechnoScope after collaboration with MIT university is getting engrained slowly as the social innovation into our engineering curriculum and Project Based Learning to address real world community challenges continues. Student registration from the first-year program has improved from 65 last year to 85 this year. Similarly, the Micro Masters' inspired program, a sequence of online modules designed build a strong foundation in machine learning, deep learning, statistics and natural language processing for data science has been introduced by our Kalsekar campus. The MIT-inspired STEAM program has been implemented across all Anjuman institutions, supported by a system of continuous monitoring and evaluation to ensure excellence in execution and measurable learning impact. The integration of MIT's "Day of AI curriculum" has further empowered our teachers and students with future-ready competencies that are aligned with global advancements. The innovative STEAM pedagogy at Anjuman-i-Islam has garnered widespread appreciation from reputed organizations such as Teach For India, the Unifly Collective, and several other educational bodies across India.

We have MOUs in place with NISM, IIF and IIBF for our management students to improve their employability in the finance and insurance sectors. Students have registered for courses in NISM and climate and sustainability by IIBF more enthusiastically. We are at an advanced stage of collaborating with Oulu University, Finland, for programs that would help us improve our faculty effectiveness. We are planning to sign an MOU with IdeaBaaz DANGAL, a platform for showcasing innovation and supporting incubation of our students.

We continue to engage with professionals and as a result, many known personalities visited our various institutes for guest lectures and for degree / prize distribution at our institutes. This has worked as morale booster for our students. We were approached by the management of Jahangirabad Institute of Technology (JIT) at Barabanki, UP, an institute supported by IMRC, a San Francisco based NGO. which is struggling, to help them revive the same. We explored options of merger and collaboration. Current discussions are on as to how do we collaborate for about three years and revive the institute to be able to deliver quality education and be self-sufficient.

Infrastructure:

We have carried out various upgrades at our institutes to ensure that our infrastructure is in good shape. Some of the tasks undertaken are as follows.

- Restoration of the Heritage at CSMT campus is at an advanced stage of completion.
- Modernization of Principals' offices and upgradation of other facilities at many of our institutes.
- A modern Yusuf Khan auditorium, has been completed at Bandra campus, which awaits a formal inauguration.
- Upgradation and repairs of various ageing infrastructure at our various campuses.
- Developed new laboratory at Kalsekar campus for students of master's in pharmacy.
- New sick room, upgradation of staff quarters and extensive upgradation of infrastructure at Panchgani campus.

Al Bassam Hall and girls' polytechnic in Pune are being completely renovated and restored by the magnanimous donation of Rs. 2 crore by Architect Iqbal & Nina Chaney Foundation, , the trust managed by these renowned architects of Pune.

Accreditation:

With a sense of achievement, pride and satisfaction, I wish to inform you that our Kalsekar campus has been granted Autonomous status by UGC and the University of Mumbai for Engineering and Pharmacy streams whereby we will be able to design our own curriculum, conduct our own exams as per our schedule and the degrees will be awarded by the University. This will help us customize our programs to suit Industry requirements. Our degrees would be B Tech, M Tech instead of BE, ME. This also helped us with better enrolment numbers and I am sure it will also result in improved campus placements. Moving ahead we plan to work towards becoming a technical university as per the stages set out by the UGC.

We received NAAC accreditation to Saboo Siddik Engineering College, Law College, College of Education, College of Home Science and both the catering colleges. We also got NBA accreditation for Saboo Siddik Engineering College and Allana Management Institute.

Social work:

Our two orphanages support 240 girls and work on providing them with a dignified life by working on their education and employment. These orphanages survive on Zakaat and other donations we receive and some support in the form of cross subsidy from Anjuman. In addition, our Sahara sponsorship programs continued ration distribution and provided medical and other support like clothing and medical care, etc. and counselling to the needy including destitute women like widows, divorcees etc. We conduct home visits for students from compromised background to understand their needs better. Ms. Heena Babu Memon, one of our orphanage inmates, has completed her BMS from Raheja College and is pursuing her post graduation in management from our Allana Institute. She was invited for a program attended by High Court judges and officials from UNICEF, department of Women and Child Development and Juvenile Justice Committee. In her speech, she spoke about the work being done in Anjuman.

The growth projects:

- We expect to receive IOD and CC for the central building project at Saboo Siddik campus within one month. Shifting and demolition work will follow.
- We have initiated tendering work for the compound wall at Solapur and had received architectural plans for our

Solapur project. Plans are being re worked based on our inputs.

- Architectural plans for hostel building of 600 capacity, 400 boys and 200 girls at our Kalsekar campus have been approved by the management committee and the same will be submitted to the regulatory authorities for their approval.
- Initial architectural plan for refurbishment and expansion for our Matheran property has been received. The same is under review.
- We have identified land at Bhiwandi for our proposed medical complex. We are already in touch with one donor, who has, in principle, agreed to fund the full project. We have submitted the proposal to the donor and have had a series of meetings clarifying their queries. We expect the same to fructify soon.

Other Future Plans:

In addition to growth, we are constantly on the look out for ways and means to calibrate our courses based on market and industry demand. We are also conscious of upgrading our faculty with different development plans and international collaborations so that our education delivery has some global best practices as well.

Apart from converting our schools to semi-English schools, we are now planning to hire special English teachers at our campuses to provide additional exposure and to equip them with the language and to augment admissions.

Technology adaptation:

We have evaluated three ERP solutions and have given our feedback to vendors about our key requirements. Ours being a complex organization with a mix of trusts, campuses and institutes, a consolidation matrix that suits us will be ready with all of them. Over the next couple of months, we will evaluate the proof of concept and then progress on negotiations.

Modernization of classrooms is being done with Tata Class Edge interactive screens for critical and creative thinking by students. 13 schools have already been covered with 67 panels. These panels seamlessly integrate cutting-edge hardware and intuitive software. This coupled with teacher training helps create improved teaching experience in our classrooms. These solutions also contain mapped content, history timeline, diagram maker, etc.

Marketing and branding:

In order to increase visibility and digital presence, we have established a new department of Marketing. This department has already increased our reach to our holistic target audience of donors, corporates, parents, students, alumni, faculty, staff and society at large. This has helped us showcase our achievements effectively on contemporary platforms. The team has also supported institutes in increasing their brand presence and enrolments. The team is working on creating and streamlining digital presence of our institutes.

Moving forward, all campuses are being trained to be digital savvy. Implementing a fine mix of centralized and decentralized marketing work processes and increasing coordination would now be focused on.

Inclusivity and Diversity:

It's our unique position that 80% of our institute heads are women who have made it to the position on merit. Our campuses are places where students from all backgrounds come and faculty, staff and partners from all backgrounds are supported and encouraged. We are committed to diversity in all spheres of our operation.

Sustainability:

Some of our campuses have installed solar panels for green power with the support from NGOs whereas some more institutes are working in the same direction. This is apart from the guidance being provided to students on sustainability and climate issues.

Accolades and achievements

The performance report that has already been shared with you has listed some of our achievements, recognition and awards received by our institutes, staff and students. Without belittling other achievements, I would like to talk about a few as follows.

Our Allana English High School recorder a remarkable performance in Cricket by winning Harris Shield, winning DSO under-14 championship, winning under-14 Mumbai Indians Junior Cricket Tournament and being runners up in the under-16 Mumbai Indians Junior Cricket Tournament.

Naghma Khan, our student from Mustufa Fakhir School secured the first position and received gold medal in “Tata Building India Essay Competition” held in 18 languages for her essay in Urdu. She got an honor of meeting the President of India for this.

MSBTE awarded Excellent academic grade for the year 2024-25 to our Polytechnic and D Pharmacy at our Kalsekar campus. Prof. Abdul Majid from our Kalsekar campus was selected as evaluator for SMART INDIA HACKATHON 2025 by the Govt of India. AICTE sponsored ATAL faculty development program was organized by our polytechnic at Kalsekar campus, which had 968 registrations from across India.

Our Saif Tyabji School was amongst the only five institutes selected from Maharashtra for Vikshit Bharat Buildathon 2025, organized by Ministry of Education, Government of India.

Students from Saboo Siddik College of Engineering clinched the First Prize and a cash award of Rs. One lakh at the National level Xcelerate 2025 Hackathon, hosted by oracle APEX User Group in collaboration with Oracle. The students' project was a platform for recruiters, students and faculty to identify a perfect match of candidates for a job profile.

I want to express my profound gratitude to all our donors, the management team, the general council, the executive council, executive chairpersons, general body members, our principals, faculty and staff. It is your passion, your tireless commitment and your invaluable support that enables Anjuman to achieve what it has achieved so far. This address would be incomplete without acknowledging the dedication and excellence in the work of our teams that culminate in the high standards that our institutions deliver. I wish to assure our students that Anjuman is committed to bringing best out of you and supporting you achieve your full potential as you walk out of Anjuman into the larger society that helps create a stronger, tolerant and progressive India.

Let me take this opportunity to put on record my sincere thanks to all our donors, our alumni and everyone associated with us for their invaluable association. And to all you members, thank you for your support all along and for your presence here and your patient hearing. I look forward to your continued support in future as well.

Dr. Zahir I. Kazi

President

General Council Report

1. The Members of the General Council have pleasure in presenting to you the Audited Statements of Accounts of Anjuman-I-Islam for the year ended 31st March, 2025
2. As at 31st March, 2025, the strength of the Annual Subscribing Members was 7 and that of the Permanent Members was 353.
3. The Income and Expenditure Account for the year under report shows a surplus of Rs. 399/- as against a deficit of Rs. 3,96,792/- in the preceding year.
4. The Anjuman-I-Islam, by virtue of Clause 3 (b) of the Memorandum and Articles of Association, acts as the Sole Trustee of various Trusts and Institutions. The accounts of these Trusts and Institutions, however, do not form part of the Anjuman-I-Islam as an incorporated body and are, therefore, not shown in the Audited Statement of Accounts annexed hereto.

For and on behalf of the General Council

Adv. Aqeel Hafiz

General Secretary

Place: Mumbai

Independent Auditor's Report

To the Members of Anjuman-I-Islam

Report on the Audit of the Financial Statements

We have audited the financial statements of **Anjuman-I-Islam**, which comprise the Balance Sheet as at 31st March, 2025, the Statement of Income & Expenditure for the year ended 31st March, 2025 and the cash flow for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and surplus for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. This report does not contain a statement on the matters specified in paragraphs 3 and 4 of the Companies

(Auditor's Report) Order, 2016 (“the Order”) issued by the Central Government of India in terms of section 143(11) of the Act, since in our opinion and according to the information and explanations given to us, the said Order is not applicable to the Company.

2. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet and the Statement of Income & Expenditure dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended;

The Company has not paid/provided for any managerial remuneration to its directors during the year;

- (g) We do not report on adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls in terms of section 143(3)(I) of the Act, since in our opinion and according to the information and explanations given to us, the said reporting is not applicable to the Company;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Anjuman-I-Islam

Notes forming part of the financial statements

Note 1 Corporate Information

Anjuman-I-Islam (the Company) which was originally incorporated on 20th November, 1946 under section 26 of the Indian Companies Act, VII of 1913 (corresponding to Section 8 of the new Companies Act, 2013) - Not for Profit (A Company limited by Guarantee and not having Share Capital).

Note 2 Significant Accounting Policies

2.1 Basis of Preparation

The financial statements have been prepared to comply in all material respects with the Accounting Standards notified by Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on an accrual basis except in case of assets for which provision for impairment is made and revaluation is carried out. The accounting policies as disclosed below, are consistent with those used in the previous year.

The Company is a Small and Medium Sized Company (SMC) as defined in the General Instructions in respect of Accounting Standards notified under the Companies Act, 2013. Accordingly, the Company has complied with the Accounting Standards as applicable to a Small and Medium Sized Company.

2.2 Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of financial statements and the results of [operations] during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2.3 Revenue Recognition

Membership Fees: Revenue from membership fees is accounted on accrual basis unless it is unreasonable to expect ultimate collection.

Interest: Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

2.4 Taxes on Income

The Company is exempt from income tax under section 12A, read with section 12AA/(1)(b) of the Income Tax Act 1961 and hence no provision for taxation is required for current year tax expense. Since the Company is exempt from income tax, no deferred tax (asset or liability) is recognised in respect of timing differences.

2.5 Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

2.6 Contingent Liabilities

Contingent Liabilities, if any, are disclosed in the Notes on Accounts. Provision is made in the accounts in respect of those contingencies which are likely to materialize into liabilities after the year end till the approval of the accounts by Board of Directors and which have material effect on the position stated in the Balance Sheet.

2.7 Cash Flow

The statement of cash flows have been prepared under Indirect Method.

2.8 Segment Reporting

The Company approach to development is to design and implement strategies to help those in need achieve a level of self-reliance and improve the quality of life. Since the Company has only one business segment of 'improving the quality of life' and one geographic segment 'India' based on operations of the Company, information for primary business segment and secondary geographic segment is not applicable.

Note (i):

The Ministry of Micro, Small and Medium Enterprises has issued an Office Memorandum dated 26 August 2008 which recommends that the Micro and Small Enterprises should mention in their correspondence with its customers the Entrepreneurs Memorandum Number as allocated after filing of the Memorandum. Based on the information presently available with the management, the disclosures required under Micro, Small and Medium Enterprises Development Act, 2006 ("MSMED Act") are given below:

Particulars	As at 31 March, 2025	As at 31 March, 2024
	₹100s	₹100s
(a) The principal amount remaining unpaid to any supplier as at the end of the year	-	-
(b) The interest due on the principal remaining outstanding as at the end of the year	-	-
(c) The amount of interest paid under the MSMED Act, along with the amounts of the payment made	-	-
(d) The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act	-	-
(e) The amount of interest accrued and remaining unpaid at the end of the year	-	-
(f) The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under the MSMED Act	-	-
Total	-	-

Note 4 Other Current Liabilities

Particulars	As at 31 March, 2025	As at 31 March, 2024

Minutes of the 76th Annual General Body Meeting of Anjuman-I-Islam (Association) held on Saturday, the 28th September 2024 at 5.30 PM at Anjuman-I-Islam's Allana Multipurpose Hall at its Registered Office at 92, Dr. Dadabhai Naoroji Road, Mumbai-400 001.

Office bearers present:

Dr. Zahir I. Kazi	President
Mr. Mushtaq Antulay	Sr. Vice President
Dr. Shaikh Abdullah G. M.	Vice President
Mr. Moiz Miyajiwala	Treasurer
Mr. Aqeel Hafiz	General Secretary
Mr. Shoaib Jamkhanawala	Joint Secretary
Mr. Shohab Asmat Rais	Joint Secretary

Members present:

Mr. Abusaleh Ansari	Mr. Burhan R. Harris
Dr. Imamuddin Undre	Dr. Shaikh Shafi
Adv. Shaukat Ali Mohd Hussain Betgeri	Mr. Motlekar Abbas Kamaluddin
Mr. Riyaz Peerzada	Adv. Ismail Muallim Ghole
Mrs. Salma M. Shafi Lokhandwala	Mr. Anwer Hussien Bagdadi
Dr. Mohammed Aslam Khan	Mr. Zariwala Mohd. Asghar Abdul Majeed
Mr. Thanawala Shahanawaz	Begum Rehana Ahmed
Dr. Zeenat Shaukat Ali	Mr. Inamdar Peerpasha Huseni
Mr. Peerzade Afzal Mohammad M.	Mr. Farooqui Rizwan
Mr. Akhtar Husain Zain Rangoonwala	Mr. Haseeb Faquih
Mrs. Kazi Ayesha Zahir	Mrs. Neelam M. Antulay
Mrs. Rubina Shoaib Jamkhanawala	Mrs. Hafiz Tazeen Aqeel
Mr. Salman Khalil Mulla	Mrs. Yasmin Saifullah Zafar
Mrs. Najma Nazimuddin Kazi	Mr. Furniturewala Imran A.
Dr. Vikhar Ahmed Khan	Dr. Yasin Rashid Kazi
Mr. Mubin Abbas Hetavkar	Dr. Sajid Abbas Hetavkar
Adv. Rahimtulla Maheboob Momin	Adv. Mubin Haroon Solkar
Ms. Rubyna Rafiq Naik	Dr. Mohammed Khalid Shaikh
Ms. Masarrat Ibrahim Khan	Mr. Patka Fuaad A. Majeed
Mr. Mohd Farid Shaikh	Mr. Muhammad Suhail Khandwani
Mr. Asif Ibrahim Dadarkar	Mr. Shakil Nazirmiya Shaikh
Mr. Shahbaz Alam Siddiqui	Mr. Aziz Ahmed Abdul Rahim Makki Shaikh
Mrs. Bakerywala Zaibunnisa Y.	Adv. Asif Siddique Mulla
Dr. Khalil Ebrahim Mukadam	Dr. Mustafa Ali Mohammed Punjabi
Mr. Shaikh M. Yusuf Punjabi	Adv. Saiyed Aejazuddin V. Bukhari

The President invited Mr. P. A. Inamdar, Vice Chancellor of the University, eminent educationist, and a member of Anjuman-I-Islam, to join the dais.

The meeting commenced with the recitation from the Holy Quran and the Hon'ble President called the meeting to order.

The Hon'ble President informed about the sad demise of esteemed General Body members, Ex-General Secretary Adv. Abdul Sattar Zariwala, Mr. Ameen Sayani, Khan Basharatullah, Prof Kukshiwala N.M.A. and Gulam Mohammed Shaikh. In their honour, condolences were formally recorded and prayers offered seeking Magfirat (forgiveness) for their souls and the highest ranks for them in the Jannatul Firdaus from Allah (S.W.T.).

Leave of absence was sought by and granted to Mr. Mohammed Farouk Suleman Darvesh, Mr. Jadwet Mohamed, Mr. Nisar Oomer, Dr. Ali Irani, Mrs. Ferzana Peerbhoy Khanna, Mr. Ali M. Shamsi, Mr. Shaikh Abdus Samad, Mr. Habib Fakih, Mr. Irfan Kazi, and Mr. Firdaus Somjee.

Item No. 3:

Minutes:

The minutes of the Annual General Meeting held on Saturday, 16th September 2023, which were circulated along with the notice for this current Annual General Meeting, were taken as read and confirmed as having been correctly recorded.

Item No. 1, 2, 4 & 9:

The President informed the assembly that Adv. Shaukatali Betgeri was unanimously appointed as Returning Officer by the General Council Members in their meeting held on 12th September 2024. He then invited Adv. Shaukatali Betgeri to officially announce the results of the elections.

Adv. Shaukatali Betgeri addressed the gathering and informed that, based on the notice issued, 12 members of Anjuman-I-Islam had collected nomination forms for the election. Only 10 members submitted their forms, duly signed, proposed, and seconded by other members of Anjuman-I-Islam. After thorough scrutiny, the list of eligible candidates was displayed on 23rd September 2024.

The following 10 members were elected unopposed to the General Council for a term of three years.

- | | |
|-----------------------------------|-------------------------------|
| 1. Mrs. Bakerywala Zaibunnisa Y. | 2. Mr. Faquih Haseeb A. |
| 3. Mr. Furniturewala Imran Ashraf | 4. Dr. Juvale Nazir Ismail |
| 5. Dr. Kazi Zahir Ishaq | 6. Mr. Miyajiwala Moiz Mohsin |
| 7. Dr. Mukadam Khalil Ibrahim | 8. Mr. Mulla Asif Siddique |
| 9. Mrs. Saifullah Yasmin Zafar | 10. Dr. Shaikh Shafi |

The President and the General Body put on record the gratitude to Adv. Shaukatali Betgeri for his work as Returning Officer. The President congratulated all 10 members who were elected unopposed and introduced the two new members of the General Council to the General Body.

Mr. Asif Siddique Mulla is an Exe. Chairman of Bharatiya Vidya Bhavan and also manages Sardar Patel College of Engineering. He is a reputed labor consultant, and has experience of work with almost all the unions.

Mr. Haseeb Faquih is an Exe. Chairman of Anjuman-I-Islam's Pune Campus. He is an educationist who manages English medium schools (CBSE) and is also an entrepreneur.

Item No. 5:

President's Address:

The President welcomed all attendees to the 76th Annual General Body Meeting.

Esteemed General Body members, Ladies and Gentlemen,

Assalamwalaikum,

A warm welcome to everyone here, personally from me and on behalf of the management. It is an honor and a

privilege for me to address you today at this 76th Annual General Meeting of Anjuman-I-Islam. Before I delve into other topics, I wish to thank all of you for your continued support throughout the year under review. This means a lot to me and the entire management as it strengthens our resolve to continue to work on areas that help us support the community in as many ways as possible and at the same time bring in glory for Anjuman-I-Islam and all its institutions.

Today, as we reflect on the past year's accomplishments and set our vision for the future, we reaffirm our unwavering commitment to supporting the community, growing and expanding our reach to more and more deserving students from the community and society at large. We are also committed to bringing excellence in education and innovation through improving our systems, academic courses, and collaborating with various institutions that are in alignment with our endeavors of faculty development, improved student performance, and financial robustness of our institutions.

Changing environment

When we met last year, the overall environment was recovering from the unprecedented pandemic and its effects, both on our institutions and society, including the physical and financial well-being of most people. This had impacted the ability of people to pay fees and the general disruption in their lives, thus impacting enrollments. The year under review was relatively better, though still not fully recovered. Reservations about venturing out have now evaporated, and the overall business and job situation has improved compared to that period. I anticipate the current year to be fully normal on this front.

Irrespective of normalcy otherwise, change is a way and is possibly one of the constant features of our lives. Lately, a few new challenges have emerged that impact us. I will speak about the critical ones so that all of us are on the same page.

Firstly, the changing technological and development landscape has rendered some of our streams less attractive with lower job demand, like civil engineering, architecture, mechanical engineering, and automobile engineering, whereas some courses are showing increased employability, like Artificial Intelligence, Cyber Security, etc. With increased reliance on artificial intelligence, demand for basic coding jobs might see a contraction over a period, leading to lower demand for related courses in the medium term. For school education, Urdu medium schools with additional focus on the English language might see more favor with parents of potential school students. To overcome this challenge, we have done some tweaking in intake capacities to reduce cost and tweaked some courses to attract more students. We are exploring studies to identify demand-driven courses for our new projects and for some of our existing institutes, so that we are there to support the community and society in providing education that is preferred and valuable.

Secondly, population migration of our target student groups, especially for Urdu medium from South Mumbai and Versova to the northern part of Mumbai suburbs and extended suburbs like Mumbra, Mira Road, Nalasopara, etc., is emerging as a challenge. This puts pressure on enrolments and has the potential to further deteriorate as we move forward. We are exploring options for some consolidation and the opening of new institutes in the area where concentration of our target population continues to be high, like Govandi, Sewree, Wadala, Mumbra, etc. Another critical factor that we are facing is the increased number of institutes in the areas where we have our schools. This would necessitate for us to explore options of both changing or tweaking some streams in our schools and improving school infrastructure.

Performance during the year

Academic Results:

As can be seen from the report circulated by the General Secretary, our passing results have continued to improve across schools and specifically students passing with over 90%, and with first class have also seen a jump. It's a

matter of pride that our students from Tibbia College continued to bag top 5 positions at Maharashtra University of Health Sciences for the 5th year in a row. This year, we have 5 toppers amongst the top 6. Our student from the College of Home Sciences bagged the gold medal from the SNTD University for topping in her specialization in Food Science & Nutrition. Our Law college achieved a 100% success rate. Our student from the Mechanical Engineering of Saboo Siddik campus topped the University.

Academic changes:

We have started Computer Science with Artificial Intelligence and Cybersecurity courses, mechanical automobile engineering, a diploma in architecture, and introduced PG programs with specialization in structural engineering and Pharmacology.

Enrolments:

Our institutes organized 6 career fairs across the campuses, and this has significantly helped clarify doubts in students' and parents' minds. In addition, there were many activities undertaken, like visits to schools, advertisements, newspaper fliers, etc. This helped improve our enrollments. Our enrolments for AIKTC were 680, i.e. 87% against an intake capacity of 778. The main drop in admission was in the architecture stream, where we have now reduced our intake capacity to 60 and have started a diploma course. Additionally, we enrolled 111 students directly in the 2nd year and beyond. Our Tibbia College enrolled 59 students against a capacity of 60. The one miss out was on account of the All India quota that didn't get filled. We had a mix of enrolment in our Urdu and English schools. In some of them, we struggled to fill capacity, whereas in some other schools we reached the capacities and beyond. For the year 2024-25, the enrolments are much better than for the year under review.

Placements:

We have had an excellent placement record for Pharmacy, where companies like Cipla and E&Y have recruited. Our Hotel Management students also had an excellent placement record with hiring happening by Marriott, St Regis, ITC, Trident, Four Seasons, etc. Although companies like TCS, Wipro, Schindler, PWC, Godrej, Saint Gobain, Blue Star, Amazon, HDFC Life, etc. recruited our engineering and management students, we faced challenges as overall placements for our engineering and management students were lower than our expectations.

We have already hired a TPO at our Kalsekar campus, Panvel, and over the next 6 months, he will also oversee placements at our Saboo Siddik campus and at our management school. We are also working on streamlining the same by preparing our students right from the beginning of the final year, so that they are ready by the time the recruitment cycle begins.

Research, Innovation, and Incubation:

Our faculty has continued to excel in publishing cutting-edge research and guiding our students with wisdom and dedication. In collaboration with students, they published 26 books and many research papers, registered 17 patents, and registered 9 copyrights. Four outstanding startups of our students have won at the innovation challenge competition, and each has been awarded with ₹1 lakh as seed funding by the Maharashtra State Innovation Society. I am happy to share below these and a few other innovations and patents, in brief.

1. **KubraTech** developed a **Medicine Payload Drone** designed to revolutionize healthcare delivery. This innovation holds the potential to enhance access to essential medical supplies, particularly in remote and underserved areas, ensuring that timely healthcare reaches those who need it most.
2. **Netrax** has developed an **OCT Fundus Camera** specifically for ophthalmologists. This cutting-edge technology enhances diagnostic capabilities, enabling better treatment for eye diseases. By improving early detection, Netrax is set to transform eye care practices and patient outcomes.
3. **Spirex** is focusing on nutrition with its innovative **Nutrition Powder**. This product is not just about convenience; it addresses diverse dietary needs, promoting health and wellness for individuals from all walks

of life. With Spirex, nutritious eating becomes accessible and enjoyable.

4. **Spicobar** takes a creative approach by combining health with indulgence through their **Spirulina-based Chocolate**. This unique treat offers a delicious way to enjoy the benefits of spirulina, making healthy eating appealing to all, especially to those who might shy away from traditional health foods.
5. **Edu Momentum: ISRC (International STEM & Robotics Championship)** - This start-up is on the International & Robotics Championship. ISRC brings students, educators, Industry, and professionals from all over the world together, promoting innovation, creativity, entrepreneurship, and technical skills in the field of Robotics by providing an International Platform. This START-UP is awarded as **BHARAT KA BEST BRAND AWARD** by the **International Excellence Award**.
6. **DOMMED BOT**: They have made a system architecture of Docking and swapping of battery for UAV, Quadcopter, Drone, etc It is a drastic system to change the battery autonomously without error and increasing the flight time and endurance, and have got second prize in the international DOBASS competition of rupees 60,000/-.
7. Self-Healing Concrete using bacteria.
8. Hydraulic height-adjustable device for basin.

These startups and their hard work, creativity, and vision exemplify the spirit of innovation and entrepreneurship that we strive to support and cultivate.

Collaboration:

Our collaboration with MIT University has resulted in six principals travelling to the US to enable the transfer of learning and collaboration. Post this collaboration, we introduced TechnoScope in our Kalsekar Institute. This integrates social innovation into our engineering curriculum, using Project-Based Learning to address real-world community challenges. We also introduced Micro Masters' preparatory program that would equip our engineering students, build their confidence, and improve their readiness for advanced data science coursework. We also launched MIT-inspired STEAM curriculum across our schools to promote interdisciplinary learning. Additionally, our registration with the social stock exchange has now enabled us to seek project-specific social funding, and we plan to use this channel, after taking appropriate internal approvals, as required by the regulatory authorities and our governing principles as enshrined in our constitution.

Our management institute hosted an International Finance Conclave attended by more than 800 participants, in collaboration with BSE, on the role of financial markets in sustainable growth through ESG at BSE. Distinguished speakers included Prof S.P. Kothari from MIT's Solan School of Management, Prof Jahangir Sultan from Bentley University, Prof Dr. Syed Nazim, ex-senior faculty from Harvard University, and Prof Dirk Zetzsche from the University of Luxembourg and advisor to the UN. Additionally, an MDP was jointly organized by Anjuman and UTI with the participation of these eminent personalities. The same was attended by executives from UTI, Tatas, SBI Mutual Fund, and other corporate houses.

We continued our collaboration with various professional institutes and persons, and as a result, many known personalities visited our law and management colleges for guest lectures, and Justice Gavai, from the Supreme Court, distributed degrees to all passing students of the last two years in a function at our Saif Tyabji campus.

Infrastructure:

We have significantly improved the infrastructure at Panchgani at an approximate cost of about Rs. 5 cr. We also made significant improvements at our Bandra campus by redoing the entire 6th floor, modernizing the laboratory and library, and renovating the conference room, Principal's office, and staff room. At our catering college, we re-laid the RCC slab on the first floor and did underpinning for slabs on other floors with iron beams to strengthen the structure. Work is completed for solar water heaters, sewage treatment plant, and rainwater harvesting. Our work on

the restoration of our main building at HO is progressing well. We have added the scope of work to include internal work so that the heritage building retains its glory. The estimated cost for the total work is around Rs. 8 cr.

Accreditation:

We received NAAC accreditation for the college of education, and the catering colleges and inspection of the Law College is over. We expect the result soon. Our college of engineering received both NAAC and NBA accreditation.

Social work:

Our orphanages have 240 girl inmates who are taken care of by the support we receive, including zakat collection. Many of our students continued to get support from our Zakat collection and cross-subsidy. Apart from this, our Sahara sponsorship programs continued ration distribution and provided medical and other support in kind, like clothes, etc., and counselling to the needy, including destitute women like widows, divorcees, etc.

Large growth projects:

The proposed project at our Saboo Siddik campus is progressing well with the necessary permission being in the final stages to build a building of 7 floors initially and which can go up to 11 floors at the next phase. We are in the process of appointing a PMC to plan and oversee the work and a contractor to complete this project. Work on the same is expected to begin within the next 3 to 4 months. We have also reviewed initial architectural plans for our Solapur project and expect the work on the same to begin in another 6 months' time. As far as the Goa project is concerned, the trust there has handed over copies of all required documents which we have given to our solicitors to study the documents and advise on options of taking it forward, including the possibility of a joint venture.

Our Vision for the Future:

As we look ahead, we recognize that the educational landscape continues to evolve, both with changing technology and with the effects of NLP, where interdisciplinary knowledge and sharing of assets and infrastructure, including institutions, are encouraged. This would require us to rethink and see how our institutions align to embrace this change.

Modernization and quality:

We are working on developing an infrastructure where our students are equipped to appreciate and handle new technology. We are working on building STEAM and robotics labs to be available on all our campuses so that our students are ready with a contemporary curriculum and hands-on exposure to cutting-edge technology to promote critical thinking.

We are also exploring the implementation of ERP and cloud-based solutions for all our institutes to ensure ease of access and use for our students, parents, faculty, administration, and management. We are working on common HR policies across our institutes so that we can retain good talent and are able to motivate our staff for enhanced performance.

Training, Development & Research:

We are focusing on encouraging our faculty to enhance their academics through a focus on research and additional qualifications, including PhDs. We are also encouraging them to work on patents and research papers along with our students.

We have plans to work on the developmental aspects of our faculty, to enable them to guide our students on their journey of modern education and to motivate them to be achievers. I am happy to share that we have now taken possession of our Matheran property, and in line with our plans, we propose to develop a modern training and development center for our faculties there.

Inclusivity and Diversity:

We are working to ensure that our campuses are places where people of all backgrounds can thrive. Our

commitment to diversity extends beyond words, as we aim to increase mentorship programs and initiatives that foster an inclusive community.

Sustainability:

Leading by example, we will continue to make our campuses more sustainable through initiatives that reduce our carbon footprint and promote environmental consciousness, like the use of green energy, greening, and rainwater harvesting.

Growth and new projects:

I already touched upon the Goa, Saboo Siddik, and Solapur projects earlier. The following are other projects that we are working on.

In addition to building a training and development center for faculty, we plan to build a modern school at Matheran so that it supports the local community, in addition to supporting our staff.

We have got an informal nod from the regulatory authorities to rebuild our Vashi campus by increasing the size from 20,000 sq ft to 80,000 sq ft, and have now started to work on the documentation based on their advice. A modern school, a college, and increased capacity for B Ed are the initial thoughts for the campus. Initial estimates for this are around Rs. 30 cr.

We have sufficient FSI and plan to add floors to vertically expand our Versova orphanage to house an after-care home for adult girls. This is critical as we need to support girls who don't have shelter and have reached the age of 18 years. We also plan to add four floors to Tibbia College to get the required area as per the new norms and to start courses in para-medical and nursing. We plan to build a G+7 structure in place of the current G+3 structure of our school. We plan to significantly change the landscape of our hospital so that it supports the local community and stops the need for subsidies.

Accolades and achievements

Our institutes and students continued to achieve many accolades. Mindful of time constraints, I will mention some of them, however, all other recognition received and that are mentioned in the review document circulated by the General Secretary, needs equal compliments.

Our innovative STEAM initiative received appreciation from MIT, recognizing the successful design and implementation of the program. A group of students from AIKTC civil stream got second position in the national level Aakar Competition held by IIT Mumbai, another group got 5th position in the same competition for developing earthquake earthquake-resistant structure. Another team won second prize in the national-level docking and battery swapping system competition in Delhi. Our team from Saboo Siddik campus got first position in the challenge organized by Agastya International Foundation and J P Morgan on SMART agriculture using IOT, and another student from the same campus won first prize at the international conference on Advancements in Additive Manufacturing Techniques organized by VIMEEY. Our Maths lecturer stood 2nd at the Educational Video competition conducted by SCERT.

Mr. Mushtaq Antulay, Sr. Vice President, Anjuman-I-Islam, has been appointed as Chairman for Moulana Azad Financial Corporation. It is Minister of State category. He is felicitated on behalf of the General Body members.

Lastly, the Padma Shri award that was conferred on to me by the President of India in the category of Education and Literature, is I believe, an award for Anjuman and the work we all do in promoting education in an all-inclusive manner to students from the most marginalized communities, many of whom are not able to pay their fees and many of them are the first generation seeking education. Let me also highlight that this award has enabled us to have greater access to the bureaucracy and has been very helpful in getting many of our issues resolved in the government machinery. Let us move forward with determination, courage, and optimism. Thank you for your ongoing support and commitment to this great institution.

This performance was not possible without the collective efforts of everyone here, including the management team, the general council, the executive council, all executive chairpersons, and all general body members. I would like to take this opportunity to express my deepest gratitude to our dedicated principals, faculty, staff, and administrators for their tireless work in maintaining the high standards of our institution. To our students, you are the reason we are here, and we are committed to creating an environment where you can realize your full potential.

I would also like to thank our alumni and benefactors, whose continued support strengthens our foundation. Your contributions, whether financial, intellectual, or moral, are invaluable to our growth and success. Thank you for your patience in hearing, and we look forward to your continued support in all our future aspirations for the institutions.

Item No. 6:

Review of the activities:

Brief review of activities of Anjuman-I-Islam for the year 2023-24 was circulated.

Item No. 7:

To receive and adopt the Audited Statement of Accounts of Anjuman-I-Islam for the year ended 31st March 2024, along with the General Council's report thereon.

The President called upon the Treasurer, Anjuman-I-Islam, Mr. Moiz Miyajiwala, to proceed with the agenda.

The Treasurer, Mr. Moiz Miyajiwala, presented the audited statement of accounts and reported that the auditors had given a clean report on accounts, indicating their accuracy and compliance. Following a brief discussion, the audited Statements of Accounts of Anjuman-I-Islam for the year ended 31st March 2024, along with the General Council's Report, were adopted by the General Body as proposed by Adv. Shaukatali Betgeri and seconded by Dr. Khalil Mukadam.

President brought to the attention of the august house the portion of the notice of the Anjuman General Body on Page No. 2, which reads as “Members desirous of asking any question or putting any suggestion at the Annual General Meeting in respect of the above agenda only, should send the same in writing to the office on or before 19th September 2024. Queries, without proper intimation within the specified time, will not be entertained”. In this regard, the President informed that there was no query that was received from any member of the General Body.

Item No. 8:

To appoint Auditors for the year 2024-25 and to fix their remuneration:

The Treasurer, Mr. Moiz Miyajiwala, informed the General Body that M/s. Babaria and Merchant, the current auditors, had expressed their willingness and consent to be reappointed as Auditors. The proposal was made to reappoint them with remuneration to be mutually agreed upon.

There was a question that came up many times about the rotation of auditors. It is not applicable for our company, being of a small size.

Mrs. Zaibunnisa Bakerywala proposed the resolution, and Mrs. Yasmin Saifullah seconded it, and the resolution for the reappointment of the auditors was unanimously passed.

The meeting ended with a vote of thanks to the Chair.

President

General Secretary

Performance Report 2024 - 25

It gives us immense pleasure to present a comprehensive and meticulously curated report encapsulating the achievements and milestones of Anjuman-I-Islam's Group of Institutions for the academic year 2024–2025. This document stands as a testament to the unwavering commitment, relentless pursuit of excellence, and academic vitality demonstrated by our esteemed institutions throughout the year.

A.I.'s Kalsekar Technical Campus, New Panvel:

The year 2024–25 marked a pivotal chapter in the growth of Anjuman-I-Islam's Kalsekar Technical Campus, where academic distinction, institutional recognition, and societal contribution came together in harmony. AIKTC established in 2011, and has evolved into a dynamic academic ecosystem, offering Engineering, Pharmacy, Architecture, and allied programs with a sprawling 10.58-acre campus, having 143 committed faculty members, and 134 dedicated support staff, the institution continues to set benchmarks in quality technical education for the Mumbai Metropolitan Region and beyond.

Autonomy and Academic Empowerment

A historic milestone was reached when the University Grants Commission (UGC), New Delhi granted autonomous status to the School of Pharmacy and the School of Engineering & Technology for 2025–2030. This academic autonomy, coupled with the renewal of NAAC accreditation at B++ grade with a CGPA of 2.92, empowers AIKTC to craft innovative curricula and introduce cutting-edge programs, such as the new M. Tech in Computer Engineering and the expanded intake in AI & ML specializations. These developments reaffirm our commitment to staying ahead of industry trends and shaping future-ready graduates.

Innovation at the Core

AIKTC's research and innovation culture reached new heights this year, producing 27 international publications and 39 scholarly outputs including patents and books. The AIKTC Business Incubation Centre served as a launchpad for 67 Start-ups, 13 of which are formally registered, collectively raising over ₹46 lakh in funding. Notable events like MULTINOVA 1.0, the international conference on AI in Engineering, Healthcare, and Sciences, showcased our role as a thought leader in emerging technologies.

Celebrating Student Success

From winning top honors at IIT Bombay's AAKAAR 2025 to securing National recognition in architecture and entrepreneurship competitions, our students demonstrated exceptional talent and dedication. 198 internships offered and ₹9.05 crore in MahaDBT scholarships ensured equitable opportunities for all. Sporting glory added to the year's triumphs, as university-level medals and the spirited BONHOMIE 2025 festival engaged over 2,300 participants.

Beyond the Campus Walls

AIKTC's impact extended far into the community service through 46 NSS activities, recognized contributions to the Indian Red Cross Society, and active roles in civic initiatives such as election support and voter awareness. Mega career guidance programs in Bhiwandi and New Panvel connected thousands of young learners with pathways to higher education and professional growth. International alumni meet in Canada and the USA strengthened our global network and opened new avenues for collaboration.

Empowering Educators

Faculty at AIKTC continued to excel as leaders, innovators, and mentors. Recognitions from IIT Bombay, active roles in academic forums, and participation as judges and keynote speakers underscored their expertise. Structured training programs benefited over 2300 participants, ensuring continuous professional enrichment and the

integration of advanced pedagogical methods.

A Vision Forward

The journey of 2024–25 reaffirms AIKTC's role as a driver of excellence, innovation, and service. With autonomy as a catalyst, reinforced by strong accreditation, vibrant research output, industry engagement, and a deeply rooted commitment to social responsibility, the campus is poised to enter its next phase of growth. The year's achievements are not merely milestones—they are stepping stones toward realizing Anjuman-I-Islam's vision of educating for empowerment, inspiring for innovation, and leading for change.

INSTITUTE PROFILE

The Anjuman-I-Islam having a glorious history of 150 years of educational and social services and also having technical expertise of more than 67 years, set a new milestone by establishing its vibrant integrated technical campus on June 30th 2011 named “**Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC) at New Panvel, Navi Mumbai.**”

MAJOR ACHIEVEMENTS: 2024-25

Sr. no	ACHIEVEMENTS	REMARK
01	University Grant Commission (UGC), New Delhi has granted an Autonomous Status to our School of Pharmacy and School of Engineering & Technology at Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC).	2025-30
02	NAAC CYCLE 2: National Assessment and Accreditation Council: AIKTC Accredited with NAAC with CGPA of 2.92 on four-point scale at B++ grade valid up to January 2030.	2025-30
03	The students of Civil Engg. dept. of AIKTC-SOET, Awarded at IIT Bombay in Asia's largest Civil Engineering Festival, "AAKAAR-2025" at IIT Bombay , securing multiple prestigious awards along with significant Cash Prizes. They won FIRST PRIZE in the Bridgeit Competition , with ₹50,000 cash prize , by designing a structurally efficient bridge that withstood an impressive 28.38 kg load . Additionally, they Secured FIRST Position in the Poster Presentation , winning ₹15,000 , for their insightful research on global rating systems for India's Smart City Mission. Their expertise in materials engineering was further recognized with 3rd Position in the cement concrete technology competition , winning ₹25,000 cash prize for developing an innovative lightweight concrete mix.	03 Awards at IIT Bombay
04	PG Course: M. Tech (18-Intake) in Computer Engineering & 60 additional intake in CSE-AIML	PG Course
05	MULTINOVA 1.0: International Conference on Artificial Intelligence in Engineering, Healthcare and Sciences (ICAEHS- 2025)	191 Papers registered
06	Certificate of Honors from Indian Red Cross Society, Maharashtra State branch for significant contribution towards Red-Cross society activities.	AIKTC
07	First prize to Architecture for Architecture-India Photo Contest on "Architectural heritage by CoA	Architecture
08	One startup, Inficare selected in "IDEABAAZ DANGAL ZEE-TV" Show representation AIKTC & Anjuman I Islam on a National TV-Show	SOET

SPORTS AWARDS FROM UNIVERSITY OF MUMBAI:10

01	Hammer Throw event (Interzonal event) Organized by University of Mumbai. Name: Yadav Snehlata	1 st Rank (Gold medal)
02	Hammer Throw event (Interzonal event) Organized by University of Mumbai. Name: Yadav Snehlata	4 th Rank
03	A Student team from SoET bagged 3 rd rank in 'Naari Shakti Chashak 2024' organized by HRPF.	3 rd Rank
04	Ms. Bagdadi Mehak and Ms. Siddiqui Khadija secured 3 rd and 4 th rank respectively in Javelin Throw Event organized by University of Mumbai.	3 rd & 4 th Rank
05	Ms. Bagdadi mehak and Ms. Anam Khan secured 8 th and 10 th rank in Inter Collegiate Athletic Meet 2024-25 for 'Shot Put'.	8 th & 10 th Rank
06	A Student team from SoET bagged 6 th rank in Inter collegiate Volleyball tournament 2024-25.	6 th Rank
07	A Student team from SoET bagged 8 th and 10 th rank in Inter collegiate Badminton tournament 2024-25	8 th & 10 th Rank
08	Mr. Riza Kadiri secured 6 th rank in Javelin Throw Event at Inter collegiate Athletic Meet 2024-25 organized by University of Mumbai.	6 th Rank
09	A Student team from SoET bagged 6 th rank in Inter collegiate Volleyball tournament 2024-25.	6 th Rank
10	TVISHA 2025, Volleyball Championship at St. John Institute of Pharmacy & Research, Palghar	

AWARDS & ACHIEVEMENTS :40

<p>Appreciation Award: Awarded by the Prant Officer, Panvel, on the occasion of Independence Day (15th August 2024) in recognition of valuable contribution towards the successful conduct of the Lok Sabha Elections 2024.</p>
<p>Appreciation Award: SDO Panvel, Govt. of Maharashtra Awarded Sanman Patra to A.I. Kalsekar Technical Campus New Panvel for the contribution during Vidhansabha Election.</p>
<p>Certificate of Appreciation from Internshala was presented for securing All India Rank 284 among 1000+ colleges participating in Internship Day for the year 2024.</p>
<p>Award from Red Cross at Annual Red Cross Event</p>
<p>Runners-up Award: On 25th Sept 2024 at a Street play competition arranged by Nashabandi Board, Maharashtra and Anvay De-addiction Center in Vashi</p>
<p>Award: Dr. Rohan Dasgupta received NPTEL Active SPOC Award at Indian Institute of Technology Bombay (IITB) on 01/10/2024.</p>
<p>Winners: First position in Poster Presentation at Asia's largest Civil Engineering festival - AAKAAR 17th Edition held at IIT Bombay (CE)</p>
<p>Mr. Farhan Shaikh (ECS) received Certificate of Excellence from Innovative Engineer award 2024 on September 15th 2024.</p>

AIKTC students awarded with the Consolation Prize at MHSSCOE, Hackathon for their innovative project titled "Water Management System – H2O Manager"
Students of ECS dept. reached in the final round of IIT Bombay Techfest 2024 on 17th December 2024 at IIT Bombay, Powai.
AIKTC Students honoured with Best Parade Team Award on the Republic Day-2025 Celebration at Anjuman-I-Islam.
Mr. Jayesh Navgaonkar and Mr. Sohail Shaikh awarded the Best Support Staff of AIKTC on the occasion of Republic Day-2025
Dr. Abusuifyan Shaikh was invited as judge for PHARMA AVINYA 2025. The National Level Poster and Oral Presentation competition held at NCRD's Sterling Institute of Pharmacy on 8th February 2025.
Students of AIKTC Secured Second place in the coding competition held at Chatrapati Shivaji Maharaj University, Panvel on 03/03/2025.
Mr. Baseem Dabholkar Secured 1st Prize in the project competition on the topic UAV Technologies and Medical Concern at TECHASTRA 2.0.
Mr. Khan Mohd Kaif received Star Speaker Award at <u>munawarzama</u> . Personality Development Workshop in Hyderabad.
Ms. Anam Khan) & Mr. Baseem Dabholkar has secured 3rd Position at the prestigious Avishkar 2025-University of Mumbai project competition.
Kazi Neelam (8.65 SGPI) and Khan Sohail, University Toppers in the first semester of M.E. in Structural Engineering.
Campus to Corporate (C2C) Competition was conducted successfully by ISHRAE Student on 24th February 2025.
FIRST PRIZE in Hackathon Mr. Bronkar Basheer Hanif bagged 1st Prize in Hackathon event (Hackventure) from Burhani College, Mazgaon, Mumbai
Mr. Zaid Qureshi, School of Architecture, secured the Second Runner-up position in the prestigious Kamu Iyer Design Competition (KIDC) 2024-25."

ACHIEVEMENTS:19

Citel Organises One Day Workshop on Understanding NEP 2020 and Crafting Scientific Animation for Effective Teaching on 20 th July 2025. The resource persons for the session were Dr. Anwar Shaikh and Dr. Rajendra Magar.
Parents' Meet & Topper Felicitation programme conducted on 3rd August 2024 for School of Engineering & Technology.
FRESHERS ORIENTATION PROGRAMME was organized on 21/09/2024.
Showcasing AIKTC talents on 76TH Annual General Meeting
Sirat Un Nabi Programme was conducted on 14/10/2024. The speaker was Hazarat Maulana Mufti Mohammed Naafe Aaraf (Qasmi).
The Institution of Engineers (INDIA) STUDENTS' CHAPTER INAGURATION-19/09/2024
AIKTC Industrial Meet 2025-35 Industry participated for bridging Industry & Academia on 19 th July 2025
Two-day Book Exhibition-cum-Sale on 19th and 20th Sept.2024 to celebrate the month of "Teacher's, Engineer's and Pharmacist's" Day.

A workshop on “Entrepreneurship and Innovation” as a Career Opportunity was organized on 25th Oct.2024 under the Start-up Orientation Program (SOP).
Scrutiny of needy students for Zakat by A.I Sahara team presided by Dr.Zahir I Kazi Sb. on 14/01/2025
AIKTC hosts Prestigious Rotary ENPRO International Quiz Competition, organized by the Rotary Club of Nigdi-Pune. Intellectual Excellence.
AIKTC hosted a TCS Life Science walk-in drive on March 19th for B. Pharm 2025.
The Alumni Meet held on 12th April 2025 in Ontario, Canada, brought together over 50 alumni from across our institutions, with the esteemed presence of Dr. Zahir I Kazi, President of Anjuman-I-Islam.
On 26th April 2025, Anjuman-I-Islam had the Honor of hosting a heartfelt Alumni Meet in San Francisco, USA.
Educational Loan Awareness Camp for Minorities Students in collaboration with Maulana Azad Minorities Financial Development Corporation Ltd.on 12 th April 2025
Understanding NEP 2020 & Crafting Scientific Aimation for Effective Teaching was organised on 20 th July 2024.
A Local Inspection Committee visit was scheduled for School of Engineering in the month of January 2025.
Mr. Mohd Aves Raza Khan with a prestigious MSc in Drug Design and Discovery from the University of Salford, Manchester, UK.
AIKTC-SOP Alumni Bakhtawar and the amazing team at Socomed Pharmaceuticals lanuched a brand new office as part of their global expansion in Latin America & Africa.

A.I.'s Mohammed Haji Saboo Siddik College of Engineering:

1. Achievements and Awards

- Students of BE Civil, guided by Dr. Ganesh Kame won the National Mix Design competition organized by Indian Concrete Institute. Anas Hashmi and Krishnaraj Yadav were Runner up and awarded with cash prize of RS. 50,000/- at the hands of the Mayor of Indore, Cleanest City of India, Mr. Adv. Pushyamitra Bhargav. Prize distribution was held on 5th February 2025 at Brilliant Convention Hall Centre, Vijay Nagar, Indore, MP.
- 1.2 INSADG National Award 2024
Four students of civil Engineering: Abdul Kahaf, Nilofar Akhtar Shaikh, Shayaan N Kazi and Ansari Mohd Awaish have participated in the National Competition for students for Best Innovative Structural Steel Design (Year 2024). They participated in the final round held on 20th and 21st March 2025. They received the Certificate of Appreciation for displaying admirable creativity and innovativeness on theme "Steel Concourse with Through Roof over Railway Track and Platform"
- Sort My Entries, an innovative startup founded by Vedant Konde (22f3002244), a B.E. CSE (IOTCSBCT) student, has been selected for pre-incubation at the Nirmaan Pre-Incubation Cell of IIT Madras under the Summer Cohort 2025. This prestigious opportunity highlights the national-level recognition of the

student's entrepreneurial initiative and technological innovation.

- A research project titled “Smart classroom automation for enhanced learning environment” by Mr. Patanwala Mohammed under the guidance of Er. Samana Jafri at 19th Aavishkar: Inter-Institute Research Convention (Zonal Round) organized by the University of Mumbai on December 15, 2024
- BE EXTC final year students won certificate of merit in the National project competition “Tantragnyan 2024” on 21 March 2024 held at LTCOE, Navi Mumbai.
- Students from BE EXTC received appreciation letter from Western Railway, Mumbai for the project work “Renewable Energy based EV charging” March 2024.
- Two BE EXTC final year students “Team-Resilience Master” won state level competition “INNOVISION 2024” organized by Rotary club of India at Indira College Pune in February 2024 and stood in top 200 innovations across Maharashtra.
- Prof. Shahab Dabir, an active ISHRAE (Indian Society of Heating Refrigeration and Air-conditioning) member and faculty of the Mechanical Engineering Department at MHSSCE, received the Appreciation Award from ISHRAE.
- Quest winner Feb 2025, Prof. Shahab Dabir with Winning team Misba Sikandar (TE) and Baig Mirza (BE) won the West Zone quarter-final and semi-final rounds of the national-level quiz competition, a-Quest, on 20th February 2025. Their outstanding performance showcased their strong knowledge and quick thinking skills. Mr. Baig Mirza also received a job offer with an attractive package of 8.5 Lacs from Carrier Company.
- Prof. Shahab Dabir honored as a Convener in Jan 2025 for National Program.
- Under the guidance of Er. Tarannum Shaikh Tuba, Shaikh Adeeba, Khan Adiba naaz, Shaikh Aliyah, Katchi Shazil and Naiyyar Modan of BE CSE(AI&ML) were Finalists in Smart India Hackathon held in GITAM university, Vishakhapatnam from 11th to 15th December 2024 and bagged 1st Runner up award.
- Got Bronze Affiliate Award to IEEE student branch of M.H.Saboo Siddik COE under the guidance of Prof Amar Pawde.
- Mrs. Tarannum Shaikh received "Dr. A.P.J Abdul Kalam Inspire Award 2024" for Best Teaching and Research Excellence on 15th December 2024.
- Mrs. Nasheet Tarik Secured top 5% position with an Elite silver badge in NPTEL EXAM on "Fundamentals of Algorithms”
- Jagda Mohammed, Muskaan Firdaus participated at 19th Aavishkar: Inter-collegiate / Institute / Department Research Convention (Zonal Round) organized by The University of Mumbai at Lokmanya Tilak College of Engineering, Koparkhairane, Navi Mumbai on December 15, 2024 for Engineering college / Institute Zone for Research project titled Implementation and Security of Blockchain Based Electronic voting system under the guidance of Mrs. Nasheet Tarik.
- Aaliyah sheikh bagged top 9th position out of 100 teams at RESCON organized by IIT Bombay.
- Isam Syed & Arman Pathan of TE CSE (AI&ML) Secured 2nd Prize at M Indicator Hackathon held between 13th to 14th Jan 2024 and won a prize money of Rs. 10,000/-.
- Bengaluru, August 2025 – Ms. Ahlam Shakeel Ahmed Ansari was honored to serve as a jury member at Hack-Nocturne 2025, the flagship national-level hackathon organized by Sir M. Visvesvaraya Institute of Technology (Sir MVIT) in collaboration with TechHub :: Community. Held in Bengaluru, the event

brought together some of the brightest student innovators from across the country. As part of an esteemed panel of professionals, Ms. Ahlam evaluated a diverse range of projects, offering expert insights and mentorship-oriented feedback. Her participation in this prestigious event marks a significant professional milestone, reflecting her continued dedication to nurturing future tech leaders and advancing innovation in academia and industry alike.

- Bangkok, July 2025 – Ms. Ahlam Shakeel Ahmed Ansari proudly represented the academic community as the sole education-sector speaker at InfoComm Asia 2025, held in Bangkok, Thailand. Her session, titled "Lights, Camera, Learning: How AI-Driven AV is Shaping the Classroom of Tomorrow", explored the transformative potential of Artificial Intelligence and Professional Audio-Visual (Pro AV) technologies in creating immersive, inclusive, and student-centric learning environments. Drawing on her expertise in AI, education, and innovation.
- Dr. Iqbal Shaikh was appointed as Convener at University of Mumbai for syllabus revision committee as per NEP 2020 (Subject Applied Physics and Elective physics) for Semester-1 and 2.
- Dr Javed Shaikh was appointed as member syllabus revision committee at University of Mumbai for the subject Applied Mathematics semester 1 and 2

2. Patents

Following faculty members published the patents.

- Patent by all faculties of Civil Engineering Department faculties - Title : Hydraulic Height Adjustable Device for Wash Basin. Patent no. 424142-001.
- Patent by all Dr Ganesh Kame and Dr. Shagufta S. of Civil Engineering Department - Title : Self-Healing Microcapsule Concrete. Patent no. 202421058250
- Patent by all Dr Ganesh Kame of Civil Engineering Department - Title : Soil Liquefaction Demonstration Apparatus. Patent no. 425002-001
- Patent by Er. Samana Jafri Department of EXTC - Title : IOT Based Smart Door With Frame Patent Number 424628-001.
- Patent by Er. Zafar Khan, Department of EXTC - Title : Head Count Device During An Emergency Evacuation Application No 415107-001
- Patent by Er.Nabanita Nath Chowdhary - Title : Design of IOT based Grass Cutter, Application no 424030001.
- Patent by Dr. Nilesh Ghongad Department of Mechanical Engg. - Title : Adjustable Handlebar Device for Two-Wheelers Patent No.: 202121028957
- Patent by Mr. Anand M. Bali along with other team members - Title :Artificial Intelligence and Solar Powered Antenna, Patent Number: 414312-001
- Patent by Nayana Chaskar, Nazneen Pendhari, Zainab Mirza, Md Lutful Islam, Taili Mahamad Javed, Shrinidhi A. Gindi, Anand M. Bali, Chaitali Mahajan, Nasheet Tarik - Title :Virtual Reality Headset, Design Number: 424269-001, Date Issued: 12 September 2024
- Patent by Dr. Nayana Chaskar, Nafisa Mapari, Swati Gurav, Siddiqui Farhana, Fatima Ansari, Waheeda Dhokley. - Title : Disaster Rescue Relief Robot, Design Number: 449681-001
- Patent Dr Ganesh S Kame, Dr Amol S Sankpal Samana Jafri - Title : Autonomous Road Repair Micro Drone. Patent no. 455145-001

3. Research Papers and Publications

Teaching staff has shown remarkable progress by publishing Twenty nine research papers. This is the indication that imparting latest knowledge by improving self is at the foremost objective for teaching faculty members.

- Mrs. Chaitali Mahajan Published a journal paper on "Improved Yolov7 Tiny with Global Attention Mechanism for Camouflage Object Detection" in Journal of The Institution of Engineers (India): Series B, Scopus indexed.
- Mrs. Chaitali Mahajan Published a Conference paper on "YOLOv7 Fine-Tuning Outperforms: Camouflage Detection Comparison" 2024 International Conference on Artificial Intelligence and Quantum Computation-Based Sensor Application (ICAIQSA), December 2024, IEEE Xplore.
- Mrs. Arshi Khan presented a paper titled "Enhancing healthcare with a Hybrid Mobile & Web based Health Record management system" in 2nd IEEE conference on Artificial Intelligence & Quantum Computation-based sensor applications (ICAIQSA-2024) at G. H Rasoni college of Engineering & Management, Nagpur on 20th and 21st December 2024.

4. **Final Year (Sem. VIII) Result**

A good teacher always works for the success of their students, helping them build a strong future.

- **Computer Science Engineering (AI ML):**
 - (a) 52 Students with CGPI above 7.00 out of 64
 - (b) Overall Passing Percentage of 81.25%
- **Civil Engineering:**
 - (a) 38 Students with CGPI above 7.00 out of 45
 - (b) Overall Passing Percentage of 88.88%
- **Computer Engineering :**
 - (a) 62 Students with CGPI above 7.00: out of 64
 - (b) Overall Passing Percentage of 96.87 %
- **Electronics and Telecommunication:**
 - (a) 19 Students with CGPI above 7.00: out of 49
 - (b) Overall Passing Percentage of 87.76 %
- **Information Technology:**
 - (a) 45 Students with CGPI above 7.00 out of 55
 - (b) Overall Passing Percentage of 81.81%
- **Mechanical Engineering:**
 - (a) 14 Students with CGPI above 7.00 out of 53
 - (b) Overall Passing Percentage of 88.67%
- **Mechanical Engineering Automobile:** Batch is in second year now
- **Computer Science Engineering (IOT):** Batch is in final year now

5. **Placement:**

6. PhD Completed

In total four staff members completed their Ph.D.

1. Dr. Sha Husain Magrabi, Mechanical Engg.
2. Dr. Amey Wagh, Mechanical Engg.
3. Dr. Amol Sankpal, Electronics and Telecommunication.
4. Dr. Nayna Chaskar, Electornics and Telecommunication.

7. NSS Activities:

The National Service Scheme (NSS) is a distinguished public service initiative administered by the Ministry of

Youth Affairs and Sports, Government of India. Launched in 1969 during the centenary year of Mahatma Gandhi, NSS embodies the ethos of social responsibility and community engagement.

The NSS Unit SA-19 of M. H. Saboo Siddik College of Engineering has successfully conducted a wide range of impactful activities during the academic year 2024-25, promoting civic engagement, environmental sustainability, health awareness, digital literacy, and inclusive development. A total of 120 hours of regular activities and a 7-day Special Residential Camp were conducted, with enthusiastic participation from the students and active support from faculty members.

NSS Unit at MHSSCOE: The NSS Unit at MHSSCOE has been officially sanctioned and allotted by the University of Mumbai for 100 volunteers, and program officers Dr Asarar Pathan and Dr Uma Kale as communicated in the letter NSS/ICD/2023-24/77 dated June 15, 2023. However, the current enrollment for the academic year stands at 100 students from diverse departments.

8. MHSSCENDLI CLUB

Anjuman-I-Islam's M. H. Saboo Siddik College of Engineering, Mumbai was registered as a MHSSCE NDLI CLUB under the National Digital Library of India the details of registration as follows.

A.I.'s A.R. Kalsekar Polytechnic, New Panvel:

Institute Achievements:

- Excellent Rating by EIMC MSBTE to all Eligible Departments for AY 2024-2025.
- Received Appreciation certificate from Election officer of Panvel Constituency for contribution in Vidhansabha & Loksabha Election 2024
- Institute Received MSBTE Sponsorship of Rs 4,19,000/- for conducting FDP/ Paper Presentation/Technical
- ISO 9001:2015 Certification
- Institute Topper secured 95% in Summer 2025 examination and overall Institute result is 90%

Achievements and Awards by Faculty & Staff:

PATENT file by Civil Engineering Department

- Mr. Zeeshan Khan received Elite + Gold certificate for securing a consolidated score of 90% for the NPTEL 12 weeks Online Certification Course "Human Computer Interaction" on the Swayam platform in Jan-Apr 2025.
- Mr. Arif Shaikh received Elite+ Gold certificate for securing a consolidated score of 90% and above for the NPTEL 12 weeks online certification course on IIOT, Research Methodology & Embedded system and actuation in Jan - Apr 2025
- Muslim Rangwala Faculty of Automation & Robotics secure Gold Medal in MTECH from Somaiya Vidyavihar University.

Paper presentation & Publications and Book Publication (24 Publications + 6 books published)

Sr. No.	Paper published by Faculty. (State/National Level)	Paper presented/Conference attended by Faculty. (International)	Book published by faculty
1	10	14	06

Achievements and Awards by Students:

- Ms. Saniya Shaikh and Mst.Arman Sayyed secured the **RUNNER-UP** position in MSBTE Sponsored Technical Paper Presentation,Mumbai Region with **Cash Prize 10000/-and certificate**.
- Saniya Shaikh Student of Computer Engineering first year received third prize at National Level Mathematics Competition conducted by ISTE.
- Mr. Zaid Israr Khan & Mr. Shakeel Shaikh won **1st Prize in Technical Quiz at TECHNOCRATZ 2024-25**, a State Level event in Father Agnel Polytechnic, Vashi.
- Mst. Arqam Qazi and Mst. Siddique secured **FIRST** position in Coder's Arena of TechBrain 2.0 organized by Computer Engineering dept of A. R. Kalsekar Polytechnic **with 2000/-cash prize ,Trophy and certificate**.
- Mst.Maveez Sayyed secured **FIRST** place in Kumite at 7th National Karate-do-Championship.
- Computer Engineering students won the MSBTE-sponsored Technical Quiz Competition and received a cash prize of ₹10,000.
- Final Year Computer Engineering students won First Prize in the Project Exhibition held at St. Xavier's College, Mahim, and received a cash prize of ₹3,000.**
- Computer Engineering students, Mr. Furqan Ahmed Sayed and Mr. Mohammad Muazzam Warunkar, secured the First Position in the Hackathon at Neurofest 2.0 and were awarded a cash prize of ₹2,000.

Extracurricular and Curricular Activity (96)

Sr. No	Curricular Activity	Organized	Beneficiaries
1	Industrial Visit	26	1350
2	Expert Talk on Emerging Trend	44	1350
3	Workshop /Skill development program	11	300
4	Quiz Competition / Paper presentation / Group Discussion	15	1200

Entrepreneurship Development Program :

Sr. No.	Programmes conducted	Beneficiaries
1	Free Technical Entrepreneurship Development Program for OPEN/SC/ST candidates from Raigad district in association with MCED	30
2	One Day Seminar on "Entrepreneurship Awareness" for final year aspiring entrepreneur students in collaboration with MCED, MSME & DIC Raigad	400
3	Expert Talk on " Business Opportunities for Civil Engineers- Govt Procedures & Licensing process" in association with Department of Civil Engineering ARKP	45
4	MCED offered paid Entrepreneurship Development Training Program on "Digital Marketing" for aspiring entrepreneurs.	19
5	MSME sponcered and MCED implemented Management Development program on "Digital Marketing" for entrepreneurs in Raigad district	29
6	Institute Sponcered Paid Entrepreneurship Development Program on "GeM Portal workshop" in association with Maharashtra Centre for Entrepreneurship Development, Raigad for Final Year Civil Engineering Students.	22

A.I.'s Akbar Peerbhoy Girls' Polytechnic, CST:

Academic Performance

- **Result:** 100% pass rate in final examinations (2024-2025) of Maharashtra State Board of Skill, Vocational Education & Training (MSBSVET)
- **Merit:** 80% of students earned **Distinction**.

Community Outreach & Extension

- **Title:** Skills for Financial Independence — Mothers' Empowerment Programme
Beneficiaries: Mothers of students from **Allana English Medium School** (campus school)
Objective: Equip mothers with marketable skills and basic enterprise know-how to enable supplemental income and self-reliance.

Programme Features

- Introductory orientation on livelihoods and opportunities
- Short, modular training delivered on campus at convenient timings

Sample Skill Modules

- Stitching garments & Alterations
- Basic Garment Finishing

A.I.'s Polytechnic for Girls, Pune :

Placement:

Sr. No.	Name of the student	Course	Placement Details
1	Tanaz Razzak Shaikh	NCPUL January 2023	Working as a Case Processing Officer at Apex Visas Technologies, Pune.
2	Sagarika Baishak	NCPUL July 2023-24	Working as a computer teacher in AIPTECH
3	Umera Sayyed	NCPUL July 2023-24	Completing her further studies in BCA and Working as a computer teacher in Azam Campus
4	Neha Mozam Shaikh	NCPUL January 2023	Completed NCPUL and B.COM, and currently working in Rulosons Distribution as a Telecaller Executive
5	Tabbsum Taufiq Shaikh	NCPUL July 2023-24	Completed NCPUL and pursuing BCOM, and currently working in Krishna Service Centre as a receptionist. The date of joining is 10 June 2025.
6	Saniya Ramzan Sahikh	NCPUL July 2023-24	Completed NCPUL and currently working in Guru Krupa Clinic and Your Dentist Clinic as a receptionist.. The date of joining is 10 July 2025.
7	Tazim Shaikh	NCPUL July 2023-24	Completed NCPUL and am currently working in Guru Krupa Clinic as a receptionist. The date of joining is 1 July 2025.
8	Tanvi Jeevan Khunte	January Batch 2024	Completed NCPUL and pursuing BCOM, and currently working at Price Uniform as a Data Entry Operator

9	Ishwari Jeevan Khunte	January Batch 2024	Completed NCPUL and pursuing and currently working at Price Uniform as a Data Entry Operator. The date of joining is 16 June, 2025.
10	Rishika Prabhakar Bansode	January Batch 2024	Completed NCPUL and pursuing BCOM, and currently working in SSBC as a Data Entry Operator. The date of joining is 16 June, 2025.
11	Anushka Hemant Gaikwad	January Batch 2024	Completed NCPUL and pursuing BCOM, and currently working in SSBC as a Data Entry Operator. The date of joining is 16 June 2025.
12	Mahek Taufik Shaikh	January Batch 2024	Completed NCPUL and am currently working in Forever Living Products as a Data Entry Operator. The date of joining is 10 May 2025.

Student Activities and Extracurricular Achievements

- The 1st and 2nd-year students of the Department of Fashion Designing embarked on a field visit to Phoenix Market City Viman Nagar on 11 September 2024. The visit aimed to provide students learning in window display, new trends, and garments. During the visit, students observed and analyzed the window displays of various stores, taking note of the visual merchandising techniques, mannequin styling, and product presentation. They also explored the latest trends in garments, fabrics, and accessories, interacting with sales representatives to gain insights into customer preferences and market demands.
- Natural and Synthetic tie-dye technique- Tie-dye is a creative fabric dyeing technique that produces vibrant, patterned textiles through tying and color application. This activity introduced students to the art of tie-dye using both natural dyes, derived from plants and organic materials, and synthetic dyes, which are chemically formulated. It was conducted by Ms Shraddha Yadav. Students used flowers, tea, coffee, leaves and colour powders for dyeing.
- Fabric painting workshop- The DM Department conducted a fabric painting workshop, exploring the traditional Indian folk-art forms of Warli, Madhubani, Pattachitra, Gond, and Miniature Painting. The workshop provided a unique opportunity for students to learn about these art forms and create their own fabric paintings.
- Print developing using vegetables - Print development using natural materials like onion, capsicum, and potato, along with traditional wooden block printing, offers a creative and sustainable approach to surface design. This hands-on activity allowed students to explore various textures, shapes, and techniques to create unique fabric prints. By engaging with both natural and traditional tools, students learned the basics of print repetition, pattern creation, and color application. The activity emphasized eco-friendly practices and encouraged innovation through experimentation, making it a valuable learning experience in the field of textile and fashion design.
- Resist dyeing, Batik. - Batik dyeing is a traditional resist-dyeing technique that uses melted wax to create intricate patterns and designs on fabric. In this activity, students were introduced to the art of applying hot wax with tools such as brushes or tjantings, followed by dyeing the fabric. The wax acts as a barrier, preventing dye from penetrating certain areas, thus forming detailed motifs. This hands-on experience allowed students to understand the balance of control and creativity involved in textile art while appreciating the cultural heritage and technical skill required in batik making.
- River Cleaning Program Report - The Anjuman-I-Islam Polytechnic organized a River Cleaning Program on January 17th, 2025, at the Mula-Mutha River Bund Garden. The program aimed to promote

environmental awareness and cleanliness along the riverbanks. The objective of the River Cleaning Program organized by Anjuman-I-Islam Polytechnic on January 17th, 2025, at the Mula-Mutha River (Bund Garden) was to instill a sense of environmental responsibility among students and the community. The initiative aimed to promote awareness about the importance of clean water bodies, reduce pollution along the riverbanks, and encourage sustainable practices. By actively participating in the cleanup, volunteers learned the value of preserving natural resources. The program also sought to inspire civic engagement, foster teamwork, and demonstrate the positive impact of collective action in maintaining a healthier and more eco-friendly urban environment.

NCPUL Department

Achievers' Story – Empowered, Educated, and Employed

Success isn't given—it's earned. These young women are proof that with dedication and the right guidance, dreams can take flight.

In a world where opportunities often come with challenges, six young women chose not to wait for change—they became the change. Through their participation in the NCPUL (National Council for Promotion of Urdu Language) course, they gained not only skills but also the confidence to step into the professional world with pride.

From the July 2023–24 Batch:

- Tabassum Bano Mohammad Taufik - Tabssum's journey wasn't easy. Though she was passionate about working and growing independently, her parents were initially against the idea of her doing a job. But with quiet strength and determination, she stood her ground, convincing her family that she could balance both work and education. Today, as a Receptionist at Krishna Service Center and a B.Com student, her parents are proud of the woman she's becoming—strong, capable, and confident.
- Saniya Ramzan Shaikh- Saniya's story mirrors that of many young women who dream of more but face resistance at home. Despite her desire to work, her parents initially did not allow her to step into a professional role. But Saniya didn't give up. With patience and persistence, she earned their trust, and now she works proudly as a Receptionist at both Guru Krupa Clinic and Your Dentist Clinic. Today, her parents not only support her—they are proud of her achievements and the respect she has earned in her field.
- Tazim Shaikh- Tazim's journey stands out for a beautiful reason- her mother supported her from the very beginning. With that encouragement, she completed the NCPUL course and confidently stepped into the workforce as a Receptionist at Guru Krupa Clinic. Tazim's success is a powerful example of how a mother's support can shape a daughter's future.

From the January 2024 Batch:

- Rishika Prabhakar Bansode- Currently pursuing B.Com and a proud NCPUL graduate, Rishika has stepped into the corporate world as a Data Entry Operator at SSBC. Her journey reflects her discipline and a strong work ethic.
- Anushka Hemant Gaikwad- Anushka, also a B.Com student, now works at SSBC as a Data Entry Operator after completing the NCPUL course. She balances studies and work with confidence and focus.
- Mahek Taufik Shaikh- With a keen interest in administration, Mahek is now working as a Data Entry Operator at Forever Living Product, after completing her NCPUL training. She is driven, precise, and ready to grow further.

Report on "स्वभाव में आई साफ-सफाई अभियान" Conducted by NCPUL Department

On 11th October 2024, the NCPUL Department at AIPTECH organized a cleanliness drive titled "स्वभाव में आई

साफ-सफाई अभियान." This initiative saw active participation from the NCPUL students, who took the opportunity to clean the computer department. They also extended their assistance to the administrative staff, helping them with various cleaning tasks.

The students embraced the activity with enthusiasm, contributing to maintaining a clean and organized environment within the institution. Their collective efforts not only promoted cleanliness but also fostered a sense of teamwork and responsibility. The activity was thoroughly enjoyed by all participants, leaving a positive impact on their overall experience.

The event successfully reinforced the importance of cleanliness and created a healthy atmosphere in the department.

A.I.'s M.H. Saboo Siddik Polytechnic, Byculla:

Anjuman-I-Islam's M. H. Saboo Siddik Polytechnic continued its mission to provide quality technical education and skill development to students during the academic year 2024–25. The institution witnessed remarkable achievements in academics, student activities, infrastructure development, and community outreach, reflecting its commitment to holistic growth and excellence in technical education.

Key Achievements & Developments:

- **Results:**

MSBTE Summer – 2025 Examiantion – MHSSP (Aided Section)	
Branch	Clear Passing (%)
CO (A)	95.59
CE (A)	80.49
EE (A)	79.25
ME (A)	74.51

MSBTE Summer – 2025 Examiantion – MHSSP (Un-Aided Section)	
Branch	Clear Passing (%)
AN	100
IF	96.67
EJ	92.50
ME (B)	75.00

- Mr. Pathan Parab student of Diploma in Artificial Intelligence & Machine Learning secured First Place in the State Level Weight Lifting Championship (85 kg Category)

- **Department-wise EIMC Ratings**

The External Institute Monitoring Committee (EIMC) is appointed annually by the Maharashtra State Board of Technical Education (MSBTE) to conduct an external academic audit of affiliated institutes. The committee, comprising senior academicians from other institutions, visits the institute to review curriculum implementation, teaching–learning processes, faculty and infrastructure adequacy, laboratory and library facilities, and compliance with MSBTE and AICTE norms. The findings are documented in the MSBTE Online Institute Monitoring Portal and reviewed by the Regional Review Committee (RRC), which recommends corrective measures, ensuring continuous quality improvement in technical education.

EIMC (External Institute Monitoring Committee) Rating by MSBTE		
Sr. No.	Course Name	Dept. Rating
1.	CO	Excellent
2.	ME	Excellent
3.	EE	Excellent
4.	CE	Excellent
5.	I.T.	Excellent
6.	A.I. & M.L.	Very Good
7.	E & TC	Very Good

- New Courses/Programmes Introduced:

M. H. Saboo Siddik Polytechnic is proud to announce the launch of its Diploma program for working professionals in Civil, Electrical, and Mechanical Engineering. Approved by the Directorate of Technical Education (DTE), Maharashtra, this 2-year program offers 30 seats in each discipline. Designed to accommodate working professionals, the program allows students to balance their work and studies, enabling them to enhance their skills and knowledge while continuing their profession.

- Research & Publication:

Researcher: Prof. Abdul Kadir Poonawala, Mechanical Engineering (Aided)

Title: Spray Combustion Analysis on Novel Liquid Propellants for Space Applications

Conference: The Asia-Pacific Conference on Combustion 2025 (ASPACC 2025), Singapore

Achievement: Presentation highlights institution's contribution to aerospace propulsion and sustainable energy research.

- National/State-Level Competition Wins:

AICODEX Hackathon : MHSSP students secured 2nd position, showcasing technical skills and teamwork.

- Seminars:

- Scope of Merchant Navy for Electrical Diploma Students” – 28-07-2024, Mr. Salik Chougale
- “Women Empowerment and Stress Management” – 21-08-2024, Mrs. Shaista Juned
- “Be your own Health Coach” – 11-09-2024, Mr. Zaid Khan
- “Role of Electrical Engineers in Data Centres” – 15-02-2025, Mr. Lijo Joy
- “Interview Skills and CV Writing” – 24-02-2025, Mr. Ashutosh Sali
- “Financial Literacy 101” – 26-03-2025, Mr. Abdul Kadir Poonawala
- “Cyber Security” – 03-04-2025, Advocate Darshan Baffna

- Seminars:

- “Best out of Waste” – 06-09-2024 & 09-09-2024, First Year EE students
- State-Level Website Development Workshop – 24-10-2024, Computer Engineering
- Hands-on 3D Printing in Plastic & Metal Additive Manufacturing – 25-02-2025, Mechanical Engineering

- Exhibitions:

The Department of Mechanical Engineering, along with students from ME3K and ME5I, visited the Boiler India 2024 Exhibition on 26th and 27th September 2024. Around 300 national and international companies participated in the exhibition, where live boiler demonstrations were conducted.

-
-
- MoUs Singed:
Rigel Infotech MoU: 3-year partnership providing students with exposure to real-world projects, internships, and training in emerging technologies.

A.I.'s Begum Jamila Haji Abdul Haq College of Home Science, CST:

Key Achievements:

1. University Convocation (Feb 2025):
 - *Ms. Hamdani Hajra Ayaz Ahmed Malika Saba* (HECS) – GPA 9.16, Grade O, 83%

➤ **Policies Adopted for Academic Excellence:**

1. Strict Regular Academic Audit System.

2. Daily monitoring through daily lecture sheets of each class.
3. Weekly Review of lectures and syllabus through weekly Academic Committee Meetings.
4. Strict implementation of teaching planner and monthly follow up of action taken on the plan submitted by each faculty.
5. Regular syllabus review meetings with cross checking of syllabus covered from teaching faculties and students of each class i.e. First to Final Year BUMS.
6. WhatsApp Groups for regular academic updates of all Class Representative Students and Principal.
7. Regular monthly meeting of Three CR's of each class with Principal to understand their problems and requirements.
8. No fees reminder to any student one month before examination and during examination period.
9. Regular motivational lectures from outside eminent speakers.
10. To provide all possible social, psychological and financial support to the students and to organize regular extra-curricular activities for decreasing stress related to the studies.
11. Regular meeting with teaching faculties for improvement in teaching and training skills.
12. Motivating juniors through the appreciation of senior University Class Toppers and Subject Toppers by felicitating and awarding Certificates and Mementos at grand ceremonies.
13. Motivating subject teachers by felicitation and presenting Awards to those whose students have excelled in their respective subjects, recognizing their dedication and teaching excellence.
14. Maintaining good healthy academic atmosphere by promoting overall good conduct and good student teacher relationship.

A.I.'s Akbar Peerbhoy College of Commerce & Economics:

- **NAAC 3rd Cycle:** It gives us immense pleasure to announce that our institution has been **Accredited** with a **CGPA of 2.6** with **B+ Grade** valid for a period of **5 years** from **20 - 12 - 2024**.
- University of Mumbai has conferred the status of **Lead College** on us and allotted 10 Colleges incl Xavier's, Jai Hind, etc. As a Lead College we have been successfully coordinating NEP implementation, examination and other activities between university and member Colleges under our cluster.
- **10-Days Capacity Building Programme- "Advancing Research Methodology Current Trends in the Research" (17th March 2025 to 27th March 2025) – Fully funded by ICSSR**

Ten-days Capacity Building Programme (CBP) sponsored by ICSSR was held between 17th March 2025 to 27th March 2025 in virtual mode on the title 'CBP in Advancing Research methodology Current Trends in the Research'.

The guest of honour for the inauguration was Principal Dr. Siraj Husainmiya Chougale, Principal of Maharashtra College. All ten days, sessions were conducted between 2 to 5 pm on various dimensions and recent trends in the research. There were two sessions in a day. Nearly 235 participants from all over India joined CBP including from J&K, Odisha, Bihar and many other states. The CBP was conducted through online mode and certificates were issued on the basis of test conducted at the last and attendance of the participants.

Lectures were delivered by Seventeen faculties from different colleges and universities. Faculties were from Kerala, Jammu Kashmir and Bihar. They delivered lectures on types of research, qualitative research, quantitative research, statistical application, writing research papers, handling stress while doing research and many more. The sessions were well delivered and the interactions of the participants were spectacular. All current trends were discussed in the CBP by the guest faculties.

The valedictory session was held on 27th March 2025 virtually. For this, the Guest of Honour was Dr. Kavita Laghate, Director, ICSSR-WRC wing Mumbai. The guest was welcomed by the principal of the college Dr. Shaukat Ali, who gave madam's elaborative profile with a formal greeting. The brief of 10 days CBP was presented by Prof. Dr. Rajesh Bhoite, Co-director of CBP. The Guest of Honour gave words of Wisdom stating that the research should always be carried and that too ethically. She congratulated all the participants, coordinators, college and motivated all to conduct such sessions shortly as well. The session ended with a vote of Thanks Given by Prof. Hemanth Jonnala, Vice-Principal of the College.

- **Drawing Competition Theme Constitution of India - 17/01/2025** a Drawing Competition was organised on the theme "Constitution of India." Students expressed their creativity through impressive artwork highlighting the value and principles of the Constitution. The event not only encouraged artistic talent but also fostered awareness of constitutional ideals.

A.I.'s M.H. Saboo Siddik Industrial Training Instititue:

- Industrial Training at Voltas Ltd: A group of students from the Refrigeration and Air Conditioning (RAC) trade successfully completed a one-month industrial training program at Voltas Ltd. The training enhanced their technical skills and industry exposure. Upon completion, the students were awarded certificates by Shri Piyush Goyal, Hon'ble Minister of Skill Development & Entrepreneurship, Government of India.
- On-the-Job Training with Mumbai Police Motor Transport Department: Students from three different trades of

our institute successfully completed a one month on-the-job training with the Mumbai Police Motor Transport Department. This training provided them with real-world experience in maintenance and transport operations, significantly enhancing their practical knowledge and skills.

- Campus Placement in Easa Saleh Al Gurg Group, Dubai: Even before the final examination, our RAC students were selected for employment in the prestigious Easa Saleh Al Gurg Group, Dubai. This early placement reflects the high level of technical and professional readiness instilled in our students.
- Recognition at State Skill Competition: Institute secured the 2nd Prize at the State Skill Competition, a notable achievement that underscores the dedication of our students and the excellence of our training programs.
- Consistent 100% Placement Record: Anjuman-I-Islam's M. H. Saboo Siddik ITI has proudly maintained a 100% placement record for the past four consecutive years. This consistent success showcases our commitment to skill development and career-building for all our students.
- Skill-Based Program for Deaf and Mute Students: This year also marked the successful launch and completion of a skill-based training program for deaf and mute students. The first batch has been successfully trained and certified, representing a major step forward in our efforts toward inclusive and accessible vocational education. We remain dedicated to fostering skill excellence, expanding industry partnerships, and empowering students from all backgrounds to succeed in their professional journeys.

A.I.'s Computer Centre (IT Skill Development Centre):

- MOM Olympiad: In 2024-2025, 45 students from Anjuman-I-Islam's Saboo Siddik Tech. High School joined the MOM Olympiad. One student won at district level and received a Robotics Kit from MKCL.

Computer Centre Overview

Course	Course Fees	Duration	Fees Collected (Rs)
Office Application	200	1 month	6200
Advanced Excel	200	1 month	3000
DTP	500	2 month	7000
Advanced Tally	500	2 month	14000
Total			30,200/

Growth and Impact

1) Total Students (2024-2025)

88 students enrolled in the Computer Centre this year.

2) Fees Collected

A total of **Rs 30,200/-** was collected from courses fees.

3) Growth

There was an increase of **04 more students** compared to last year.

4) Impact

Over 200 students have completed courses since 2018, with approximately **42 students employed post-course.**

Future Plans

Enhancements Needed

To enhance the Computer Centre, we plan to add 15 more computers and increase overall space capacity to

accommodate more students comfortably.

Upgrade Courses

We aim to improve the learning experience by introducing upgraded courses and appointing well-trained faculty.

Sponsorship Project

We plan to expand the number of seats available for sponsorship students for fee assistance.

Medical Help

We aim to extend medical support to both students and their parents.

A.I.'s SAHARA Centre for Distressed Women & Families:

Achievements of students

- Mariyam Khan and Nausheen Shaikh from cooking class both are taking cake orders from Home
- Namira Shaikh and Samreen Shaikh from beautician class doing job in a beauty parlour.
- Azra Khan from stitching class tailoring at home.
- Musfira Vazgare from stitching and mehndi class taking orders of stitching and opened mehndi class at home.
- Saeeda Ali Akhtar Khan from stitching class earning by orders at home.
- Saniya Abdul Hasan Shaikh from stitching class takes orders at home.
- 27 students have completed the course successfully.

Sahara has also been helping women and their families overcome difficult crisis situations by offering support in every possible way and motivating them to find sustainable alternatives to survive in their existing environment. Since its inception, the trust has focused on empowering women to face challenges boldly, providing them with continuous guidance and counseling through various means.

A.I.'s Akbar Peerbhoy Girls Hostel, Versova:

Akbar Peerbhoy Girls Hostel, located on the third floor of the A.D. Bawla Female Orphanage, served as a secure residence for 90 female students. As the only secure and affordable girls' hostel in the western suburbs, it provides a crucial support system for students from distant locations, particularly those pursuing higher education at Dr. M.I.J. Tibbia Unani Medical College. The hostel offers a peaceful, "home away from home" environment that fosters holistic development.

Facilities include 24/7 purified drinking water, hot water for bathing, and newly renovated washrooms with a continuous water supply. The pantry is equipped with five gas burners and two double-door refrigerators. Residents are provided with a personal bed and storage space. Accommodation types range from 4-5 bedded rooms to dormitory-style spaces. A lift provides easy access within the ground plus three story building.

Security, Health, and Well-being:

The hostel prioritizes resident safety with a robust security system, including CCTV surveillance, a security guard at the main gate, and an entry and exit log to monitor all movements. Strict rules are enforced to ensure resident welfare and maintain the institution's reputation.

In case of illness, residents receive prompt medical attention at the on-campus Kalsekar Hospital. If hospitalization is needed, parents are immediately notified.

Academic and Extracurricular Achievements:

Residents demonstrated outstanding academic and extracurricular performance.

Academic Achievements

- Nawazbi Qureshi: Ranked 1st in the university-level 2nd-year BUMS board exams. She also serves as General Secretary of the Student Welfare Committee (SWC) and is a member of the college's research and innovation cell.
- Tuba Ansari: Secured 2nd position in the college for 2nd-year BUMS board exams.
- Daniya Momin and Arsala Umama: Both ranked 1st in the college in 1st-year BUMS board exams.
- Munazzah Khan: Secured 3rd position in the college for 1st-year BUMS board exams.
- Alina Majid: Secured 4th position in the college for 1st-year BUMS board exams.

Extracurricular Achievements

- Residents earned top honors (1st, 2nd, and 3rd place) in poster-making, slogan, speech, and essay competitions during an Organ Donation Awareness Program.
- Arsala Umama: Achieved 2nd position in a calligraphy and Qirat competition.
- Nawazbi Qureshi: Secured 3rd position in a yoga day quiz competition.

A.I.'s Sobani Hostel, CST:

Sobani Boys Hostel has successfully completed over two decades of dedicated service, accommodating up to 185 students. Over the years, it has gained popularity across Maharashtra and other states, with 30% of residents from Bhiwandi, 54% from various districts of Maharashtra, and 16% from 12 other states.

Priority is given to students from Anjuman-I-Islam's colleges. Centrally located in South Mumbai, opposite CST Railway Station, the hostel offers hygienic in-house mess facilities, modern amenities, 24x7 security, a study room, and prayer facilities. Its reputation and facilities attract even international students, and it continues to operate at full capacity with a waiting list each year.

A.I.'s Saif Tyabji Girls' High School & Junior College:

SPECIAL WORK

- The Community Service Centre, which is open to all associated with our school, provides skill training to mothers, sisters, and students in areas such as tailoring, jute bag making, sauce, jelly and jam preparation, and mehndi design. This initiative has enabled them to acquire practical skills and either start small-scale businesses from home or secure employment, as certificates are awarded upon completion of the course. Advanced tailoring classes have also commenced, and some women have been provided with sewing machines by MESCO to support their livelihood.

A.I.'s M. H. Saboo Siddik Technical High School & Junior College:

- **Online Quiz Achievement:** The staff of MHSS showcased their academic enthusiasm and competitive spirit by participating in the online quiz program conducted by the School Quality Assessment and Accreditation Framework (SQAACF). Their remarkable performance led them to secure the first prize, a testament to the school's commitment to continuous professional development and academic excellence.
- **JEE Success** – Master Rudra Kumar: Master Rudra Kumar from the Junior College section achieved an outstanding feat by securing an 82 percentile in JEE Main and an SC rank of 2631 in JEE Advanced, placing him among the top 1.5% of over 22 lakh candidates who appeared across both sessions. His hard work and

perseverance earned him a coveted seat at IIT Kanpur, one of India's premier engineering institutions, bringing great pride to MHSS.

- Start-Up/Initiative – Entrepreneurship Program: As part of its future-ready academic vision, MHSSTHSJC is set to introduce an Entrepreneurship Program at the school level starting in the academic year 2025–26. Preparations and staff training were successfully carried out during 2024–25 under the expert guidance of Executive BVTE Chairman, Dr. Aslam Khan. This program is designed to empower students with critical thinking, leadership, and business planning skills, encouraging them to explore innovative ideas and build confidence as future entrepreneurs.
- Introduction of Python Programming and Robotics: MHSSTHSJC will aim to introduced Python programming and Robotics other than technical school curriculum in AY 2025- 26. These courses aim to develop problem-solving abilities, computational thinking, and creativity in students. By engaging in coding and hands-on robotics projects, students gain early exposure to technological fields, preparing them for higher education and careers in STEM (Science, Technology, Engineering, and Mathematics).

A.I.'s Dr. M.I.J. Girls' High School & Junior College, Bandra:

- Anjuman-I-Islam's Dr. M.I.J Girls' High School & Jr. College inaugurated its newly constructed facilities, including a Conference Room, Principal Office, Staff Room, Library, Laboratory, and the 5th floor of the Junior College in a grand ceremony by officially unveiling it. the newly constructed state-of-the-art facilities at The event was attended by Dr. Zahir I. Kazi, Padma Awardee and President of Anjuman-I-Islam, along with board members, principals, and well-wishers. The ceremony featured a soulful Qirat, the recitation of Tarana-e-Anjuman, and a warm welcome for the guests who were presented with small plants. Dr. Kazi emphasized the importance of modern infrastructure for the academic growth of Urdu medium students and praised the institution's efforts. The ceremony concluded with the inauguration of the new facilities and a vote of thanks. The Principal and staff expressed gratitude to President Dr. Kazi for his leadership and three teachers were felicitated for completing the '**Maharashtra Rajya Bharat Scout and Guide Captain Training**'. The main aim was to provide modern infrastructure was to enhance the educational experience, promote academic excellence, and to support students' growth and development.

The event underscored the institution's commitment to quality education and conducive learning environment to enhance students' performance. It was a significant milestone in the institution's journey towards providing a world-class education to its students. Anjuman-I-Islam continues to pave the way for future academic success and holistic development of its students.

- To educate students about the importance of healthy eating habits, to encourage kids to make informed choices about their diets, to engage kids in fun activity that promote healthy living, to train kids to spread awareness with their peers and families. MPH- Mentorship Programme on Health and Hygiene was conducted.
- To screen students for any learning disabilities, attention issues, memory challenges, and comprehension problems & also to assess the progress and abilities of students, identifying any learning weaknesses early to ensure timely intervention, A team from the **Ali Yavar Jung National Institute of Speech and Hearing Disabilities** conducted screenings for **77 students** (27 with disabilities and 50 from Standard 5th and 6th) to assess their **learning abilities, progress, memory retention, attention, and learning disabilities**. The screenings aimed at identifying any weaknesses or challenges early to provide necessary interventions. The process was interactive and efficient, ensuring comprehensive evaluations. The initiative was led by the school Principal, Vice Principal, and the in-charge teacher, Ms. Asia Shaikh.

The screening conducted by the **Ali Yavar Jung National Institute of Speech and Hearing Disabilities** was a

highly successful initiative. It helped identify potential learning challenges early, ensuring that appropriate interventions can be implemented.

The students of the school and junior college won various competitions and prizes at the zonal and district levels, and also participated in various workshops and visits.

National Level

Firki Leaders' – Teach for India-Eduverse

Headmistress was selected by the FIRKI team as a Spotlight Speaker for a PAN India session on **Innovation Stories: Creating a School Culture**, where she shared insights on fostering creativity and experimentation in education for transformative learning. Alongside esteemed educators and changemakers in panel discussions, she contributed impactful strategies to drive innovation, inspiring **participants nationwide to embrace fresh ideas and create meaningful change in their classrooms.**

12th November:-Ignite the First Spark

To celebrate Teach For India's 15th anniversary, Firki launched a special webinar series, **15 Sparks of Change**, featuring extraordinary educators. **Our Headmistress Ms. Fauzia Ansari was invited as a guest speaker for the Firki Leaders' Teaching Mela**, the first webinar in this inspiring series. She presented on **Innovation in Education, with a special focus on STEAM pedagogy, an approach that has earned national recognition for fostering critical thinking, creativity, and a love for learning in classrooms across India.** Her insights continue to inspire educators to embrace innovative teaching methods for meaningful student engagement.

Best Innovative Idea Award by Unify Collective

Ms. Fauzia Ansari, Headmistress, was honoured by the **Unify Collective** with the **Best Innovative Idea Award** for her pioneering work in STEAM-based learning, earning recognition across **Pan India** for her contributions to education. She secured ₹1,50,000 in funding and an additional ₹1,00,000 as the **Project Pitch Prize** for her STEAM Education initiative. Her impactful and innovative teaching methodologies continue to strengthen educational initiatives, fostering creativity and excellence in learning.

International Level

19th April:- Head Mistress Ms. Fauzia Ansari Honored with UNESCO Ambassador Award.

We are delighted to share that our Headmistress, Ms. Fauzia Ansari, has been awarded the prestigious **UNESCO Ambassador Award by the UNESCO Clubs and Associations and the World Genesis Foundation.** The award was presented by Heather Anderson, Secretary General of UNESCO Clubs and Associations, USA, and President of the World Genesis Foundation, at a ceremony held at Nehru Centre, Mumbai. This recognition celebrates her outstanding contribution to education and her exemplary leadership in shaping young minds. She extends her sincere gratitude to Hon'ble President Dr. Zahir I. Kazi, the management, staff, students, and parents for their unwavering support.

Bridging Borders, Enriching Minds – UK Partnership Exchange 2025

From **24th to 28th March 2025**, our school proudly hosted **12 students and 2 teachers** from our UK partner institution, **North Leamington School, Warwickshire, UK** for an inspiring five-day cultural and educational exchange. The programme featured a vibrant blend of activities — from interactive learning sessions, chart-making, and hands-on projects on **climate change, single-use plastic reduction, and environmental**

conservation, aligning with the **UN Sustainable Development Goals (SDGs)**, to innovative plastic reuse initiatives. Visitors explored modern tools through augmented reality and virtual learning, interacted with our student council, observed the dynamic *Enterprise Challenge*, and participated in outdoor games, fostering bonds of friendship. This impactful exchange strengthened our international partnership, deepened environmental awareness, and left a lasting mark on global learning for all **14 international guests** and our wider school community.

Silver Success on a Global Stage – School Enterprise Challenge 2024

Anjuman-I-Islam's Begum Sharifa Kalsekar Girls' English High School proudly clinched the **Silver Medal** in the prestigious **School Enterprise Challenge 2024**, organised by *Teach A Man To Fish*, UK, competing against over **100 schools worldwide**.

From **August 2024 to February 2025**, our dynamic student entrepreneurs ran **Re-wear Revolution** — an eco-conscious venture upcycling old clothes into stylish products like scrunchies, mats, and wall hangings. With strong community backing, they raised funds, executed impactful promotional campaigns, and hosted a highly successful exhibition. This global recognition is a testament to our students' creativity, entrepreneurial spirit, and commitment to building a sustainable future.

A.I.'s Allana English High School & Junior College, C.S.T.:

The academic year 2024–25 has been an extraordinary one for Anjuman-I-Islam's Allana English High School, marked by exceptional achievements in sports, teaching excellence, and academic honors. It gives us immense pride and joy to present a snapshot of the accomplishments that have brought laurels to our institution.

Outstanding Achievements in Cricket

Our school has truly shone on the cricketing field this year, with our students making a mark across various prestigious platforms:

Winners of the DSO Under-14 Cricket Championship

Champions of the Mumbai Indians Junior Cricket Tournament – Under-14 Category

Runners-up in the Mumbai Indians Junior Tournament – Under-16 Category

Winners of the Prestigious Harris Shield – After 19 Years!

Five of our Cricket students are selected by MCA in Mumbai probable.

This historic Harris Shield victory marks a glorious comeback after nearly two decades and reflects the relentless dedication of our students, the expert coaching team, and the unwavering support from the school leadership. These victories highlight our commitment to nurturing sportsmanship and talent in every student.

Excellence in Teaching and Faculty Recognition

Our teachers continue to inspire with their commitment to quality education and innovation:

Senior teacher Mrs. Nishat Khan was awarded the Best Teacher Award during a special program held at Nehru Science Centre, organized by Sky Explorer, in recognition of their exceptional dedication to student development.

The Principal Mrs. Rizwana Satare received Best Principal awarded by Maharashtra Rajya Madhyamik wa Uch Madhyamic Shala Mukhyadyapika Sangh in the 63rd Adhiveshan held at Dapoli. Total 3 principals were selected from Mumbai, she was one of them.

Male teacher Mr. Shadab Lakhani received the prestigious Fatima Shaikh / Savitri Bai Phule Award organized by Shikshak Bharti for excellence in teaching and for creating innovative teaching aids that have enhanced the learning experience for students.

These awards reflect our teachers' tireless efforts, creativity, and commitment to inclusive and inspiring education.

Academic Excellence & Scholarships

We are proud of our students who have excelled academically and earned recognition at the state level:

Two of Std. VIII students (Mst. Rayyan Abdul Alim and Ms. Hifza Solkar) received Government scholarships, acknowledging their consistent academic performance and perseverance.

Ms. Shaikh Hajra and Ms. Dustay Maryam has received a Scholarship of Rs. 22,000/- each. Under (NSP: National scholarship portal) scheme

These achievements demonstrate our school's emphasis on academic excellence and holistic student development.

Our School has achieved 3rd place in the prestigious Urdu Drama Competition Daryaaft mentored by Vougue Theatres.

One of our students Mst. Faizan Naik's project was selected by Inspire Award and received Rs. 10,000/- for the final prototype.

Our school secured the third position in Space Station designing competition held at Nehru Science Centre organised by Sky Explorer.

They also conduct various workshops that help them to enhance their skills.

A.I.'s Valimohd. & Dostmohd. Peermohd. Primary Urdu School, Pune

Key Achievements:

- The Government conducted an inspection for the Maha Vachan Prkalp in school by the team of MPSP to ensure the effective implementation of the reading program. MPSP team (ZP officer and staff and students from TISS, Mumbai) discussed the Maha Vachan Project, students actively participated in the discussion and answered the questions asked by the MPSP team. The Team appreciated the students' active performance.
- Maha Vachan Utsav by Samagra Shiksha Maharashtra conducted in school on an online portal. **301** students from Class 3 And Class 4 actively participated.
- **Best School Award 2024-25** : Urdu Primary School received “Best School Award” by AHAD Foundation, Pune
- **Inter School General Knowledge Quiz Competition 2024-25:** Organized by Anjuman-I-Islam VM & DM PM Urdu Primary School, in which 10 schools participated, Our School secured 1st position in written and oral quiz & won shield, appreciation certificates and trophies.
- **Inter School Qirat & Art Competition 2024-25** : Organized by Anjuman-I-Islam VM & DM PM Urdu Primary School in which 8 schools participated, Our School secured 1st position in Junior Group Art & Qirat Competition, won shield, appreciation certificates and trophies.
- **Best Art Performer Prize:** Our students from Class 1 to 4 had their artwork selected at the district level as Best Art Performers and were awarded Art Kits by Navneet.
- **Best Principal Award:** Received to Mrs. Naziya Shaikh (Head Teacher) by Paschim Maharashtra- Muslim Rashtriya Manch
- **Naziya Shaikh-** Head Teacher of A-I-I's VM & DM PM Urdu Primary School, Pune is representing the **Anjuman-I-Islam** at “**Maharashtra State Bureau of Textbook Production & Curriculum Research, Balbharati, Pune**” for preparing and designing a New Text Book from Nursery to Class 5 as a “**Language Committee Member**”. Her name was published in the Urdu Balbharati Textbook of Std. 1st this year as a compiler.
- **Gurukul Talent Search Examination (GTS)- 2025:** Gurukul Education Society, Kolhapur organized “Gurukul Talent Search Examination” (GTS) on Sunday, 2nd March 2025, in which 68 students from Class 2 to Class 4 actively participated. The exam aimed to identify and encourage academic talent among young learners for the subjects i.e. Urdu Language, Math, English & Intelligence test. A total of 10 students from our school received recognition at various levels – Taluka Level, District Level, and State Level – based on their outstanding performance in the examination. These students were awarded trophies and appreciation certificates in acknowledgment of their achievements. Other passed students also received participation certificates. The event was a great opportunity for the students to test their academic skills and build confidence. It also motivated other students to participate in such competitive platforms in the future.
- **District Level Urdu Reading Programme Symposium:** Urdu Reading Programme Symposium was organized by DIET, in which school teacher Mrs. Shagufta Shaikh (A. T.) secured 1st position in “District Level Poster Presentation Competition”.

Padma Shri Dr. Zahir I. Kazi and Mrs. Ayesha Kazi inaugurated the new office for the SAHARA Sponsorship Project at Anjuman-I-Islam Mahim Campus.

Padma Shri Dr. Zahir I. Kazi signed an MoU between Anjuman-I-Islam Kalsekar Hospital, Haji Ali Dargah Trust, and Mahim Dargah Trust, ensuring high-quality, subsidized medical care for patients and support for the underserved.

Anjuman-I-Islam hosted a program at Saif Tyabji Auditorium, reaffirming constitutional rights under Article 30, with insights from Dr. Shahid Akhter and Dr. Zahir I. Kazi (Padma Shri Awardee - 2024) championing education, community upliftment, and empowerment.

Inspiring 'Gyan Bharat Speech Competition' organized by Durgavanshi Foundation on 25th July, 2025, where 6,700 students from 16 Anjuman-I-Islam schools showcased their powerful voices.

Anjuman-I-Islam held its Degree Distribution Ceremony 2025 for Allana Institute of Management Studies, Institute of Hospitality Management and College of Hotel & Tourism Management Studies & Research, and Begum Jamila Haji Abdul Haq College of Home Science, with esteemed guest Shri Milind Deora (MP & Former Union Minister).

Anjuman-I-Islam's delegation, led by Dr. Zahir I. Kazi (Padma Shri Awardee – 2024), visited Jahangirabad Institute of Technology, Barabanki (UP), to strategize the institution's transformation into a sustainable, NAAC - ready and future-ready center of excellence.

Anjuman-I-Islam's Akbar Peerbhoy College of Education conducted a transformative Two- Day Workshop on Ancillary Curriculum Design.

Anjuman-I-Islam took a step toward academic collaboration by welcoming Mr. Manzoor Ghori (CEO, IMRC, USA) and Mr. Sayed Aneesuddin from Jahangirabad Institute of Technology to discuss a strategic partnership aimed at excellence, growth, and inclusive education.

New classrooms and learning resources inaugurated by Dr. Zahir I. Kazi (Padma Shri Awardee – 2024), in collaboration with L&T Realty Mumbai and Ecosan Services Foundation, Pune - for Anjuman-I-Islam's Khalifa Ziauddin Girls' Primary School, Mahim.

Anjuman-I-Islam's M.H. Saboo Siddik College of Engineering celebrated its Degree Distribution Ceremony for the academic years 2022–23 and 2023–24. The event was graced by the Hon'ble Shri Chhagan Bhujbal, who conferred degrees upon the young engineers.

Celebrating India's 79th Independence Day with pride and unity at Anjuman-I- Islam's CSMT campus!

Anjuman-I-Islam proudly celebrates Saif Tyabji Girls' High School & Jr. College for securing 3rd position at the District Level in the Mukhyamantri Majhi Shala Sundar Shala Abhiyan – Phase 2, winning a ₹3,00,000 prize and a Certificate of Excellence!

Anjuman-I-Islam warmly welcomed NRI philanthropist Mr. Ali Qureshi to the A.I. Kalsekar Technical Campus, Panvel, fostering dialogue on educational empowerment and future-focused progress.

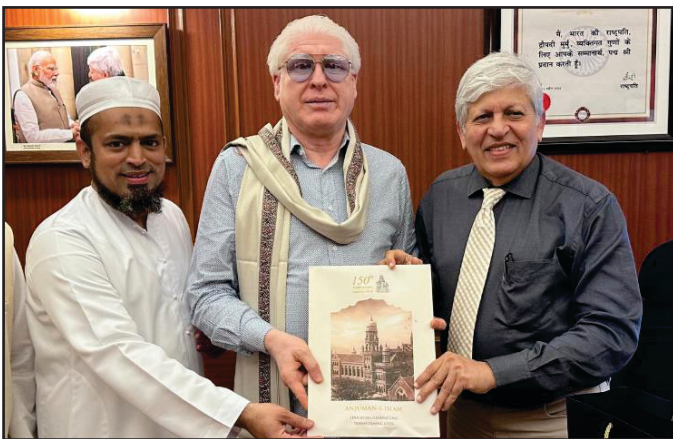

Anjuman-I-Islam's Dr. Mohammed Ishaq Jamkhanawala Girls High School & Junior College, Bandra, on 21st March 2025, featured the launch of an innovative Urdu language online series and the unveiling of Dr. Sanam Vaseem Shaikh's book 'Petals of Life' by Chief Guest Padma Awardee Dr. Zahir I. Kazi, President - Anjuman-I-Islam, alongside esteemed guests Commander Rajiv Kubel, Mr. Abhishek Kubel, and Ms. Ridhima Kamat.

President - Dr. Zahir I. Kazi, General Secretary - Mr. Aqeel Hafiz, and I/c CEO - Mr. Shagaf Nakid — met Mrs. Manda Mhatre, MLA, Belapur, Navi Mumbai, to discuss key concerns of CIDCO and NMMC, aiming for solutions that benefit the community.

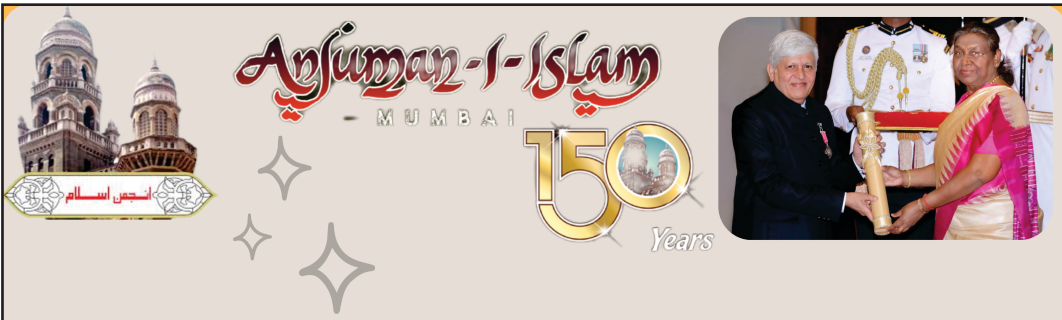

On 9th August 2025, Anjuman-I-Islam's Akbar Peerbhoy College of Education, Vashi, celebrated the graduation of 41 B.Ed. students. Inaugurated by Dr. Zahir I. Kazi (Padma Shri Awardee – 2024), President - Anjuman-I-Islam, the ceremony was attended by MJF Lion Surinder Sharma, Prof. and (Dr.) Sangeeta Pawar.

Anjuman-I-Islam is taking a step toward preserving Urdu heritage as leaders met with Dr. Izzuddin Zugaibah (Dubai), Hashim Nadwi, and Mufti Ashphaque Kazi to plan the digitization of rare manuscripts and books from the Karimi Library and Urdu Research section.

Anjuman-I-Islam proudly celebrates Khalifa Ziauddin Girls' Primary School, Mahim, for securing 6th position at the national-level Digital Detox Mahotsav. Our students creatively highlighted "Screen Time Ne Chhina Bachpan," showcasing awareness about digital wellness among 950+ participants from 255+ schools across India.
